

## THIRD OF TOWN DESTROYED BY FIRE TUESDAY

HAWSTONE, Pa. (AP) — This Millfin County community faced the grim task today of cleaning up the ashes and rubble left by a fire that destroyed a third of the town and hundreds of acres of surrounding forest.

Some 73 persons in 13 families—including 59 children—were made homeless by the blaze that swept first through 21 frame dwellings then literally leaped into the Juniata River Valley woodlands.

Many of the 200 fire fighters and forest rangers who battled the successive fires for more than eight hours Tuesday prepared for possible further outbreaks today.

### THREE-HOUR BATTLE

Though contained, the blaze still posed a threat to the narrow valley. The woodlands are tinder dry from a prolonged drought.

Brisk winds fanned the flames and spewed sparks across the forest. The firemen brought the town blaze under control at 5 p.m., within three hours after it began, but the battle against the rampaging flames in the woods continued until after 10 p.m.

Fire Chief Harry E. Sheaffer of Lewistown, placed the Hawstone real estate loss at \$47,000 and an additional \$10,000 in lost home contents.

### CHURCH BURNS

In addition to the homes the town fire destroyed the Christian and Mission Alliance Church, a truck, two cars and a house trailer.

Sgt. Howard Hancock, Pennsylvania State Police fire marshal, and Sheaffer said they believed the fire was started by children playing with matches.

The fire began about 2 p.m., EDT. It quickly spread through the dry frame houses. The dwellings were all twin-unit structures built many years ago by Hawes Refractories, a firm which manufactures fire brick.

The intense heat and sparks started a number of small fires in the surrounding woodland.

## ANOTHER BIG PAINTING THEFT

LONDON (AP)—The theft of 35 paintings valued at \$700,000 from a private art gallery was discovered today.

Scene of the robbery was the O'Hana Art Gallery in London's fashionable Mayfair district.

Police said the thieves got in by forcing a rear door.

It was the biggest art theft in England since the theft of a Goya portrait of the Duke of Wellington from the National Gallery last August.

The Goya, valued at \$392,000, is still missing. The O'Hana Gallery specializes in modern art.

London has had a wave of art thefts in recent months. A Renoir and two Picassos were among 12 paintings stolen last May. Eleven of the paintings were recovered a week afterward.

## Owen D. Young Dies At Florida Home

NEW YORK (AP) — Owen D. Young, 87, industrialist and international monetary expert, died today at his home at St. Augustine, Fla. He had been ill several weeks.

His death was announced by relatives here.

Young was chairman of the board of the General Electric Co. for 17 years and was the founder and first board chairman of the Radio Corp. of America.

PHILADELPHIA (AP) — Jacob Kleinman, 62, who pleaded guilty May 21 to embezzling \$2,765 from a credit union of which he was treasurer, was placed on two years' probation Monday in U. S. District Court.

## Weather

Extended forecasts for the period from Thursday, July 12, through Monday, July 16:

Eastern Pennsylvania, Southeastern New York and New Jersey—Temperatures are expected to average 2 to 5 degrees below normal, remaining generally on the pleasant side except for a warming period about Saturday. Precipitation may total less than a fifth of an inch, principally in scattered showers Thursday and again about Saturday.

Middle Atlantic States—Temperatures will average up to four degrees below normal with cooler weather Thursday night and Friday followed by warmer temperatures Saturday and cooler readings the first of the week. Precipitation will average between a tenth and a half inch, occurring as showers about Saturday or Sunday.

Western Pennsylvania—Temperatures will average 3 to 5 degrees below normal highs of 81 to 84 and normal lows of 61 to 64. Except for warm, humid conditions about the end of the week, pleasant weather is indicated. Precipitation will average about a tenth of an inch as widely scattered showers tonight and again about Saturday.

Call 334-4613 for Social News ONLY

The regular meeting of the Women of the Moose was held Tuesday evening at the Moose home with the senior regent, Mrs.

Arlene Myers, presiding and 20 members present. College of Regents Chapter night was observed with Miss Martha Strasbaugh, chairman, in charge. A reading "I Know Something Good About You" was given by Mrs. Virginia Lauver and a piano selection was given by Mrs. Marie Keller. Two members of the college who have been members for one year were presented with their red tassels replacing the green ones. Mrs. Hilda Newman and Mrs. Evelyn Rose. The ceremony was conducted by Mrs. Lauver and Mrs. Keller. The chapter now has 10 members in the college. One new candidate, Mrs. Janet Seguin, Littlestown R. 1, was enrolled.

At the next regular chapter meeting to be held July 24 a vote will be taken to change one section of the chapter's constitution and bylaws. All members are urged to attend this meeting. Mrs. Myers gave a report on the international convention held in Atlanta and Jacksonville June 30 to July 6. The chapter purchased a shampoo chair for the residents of the Adams County Home. A plaque will be placed on the chair marking it as a memorial to Mrs. Annie Goodermuth who was their first representative on the County Home Auxiliary until her death several years ago. The committee in charge of this project comprised Mrs. Mabel Thomas, present representative, Mrs. Marie Keller and Mrs. Mary Cole. This committee will also be in charge of the birthday party to be held for residents of the home Thursday. The door prize was won by Mrs. Mary Warman. Refreshments were served following the meeting by the College of Regents members.

**Winners in the Ladies' Day golf event at the Waynesboro Country Club Tuesday were as follows:** Low gross for Gettysburg, first, Mrs. Glenn L. Bream; second, Mrs. Kenneth Wenk; third, Mrs. Donald Wickerham. Low gross for Waynesboro, first, Mrs. Paul MacKenzie; second, Mrs. Kenneth Sheaffer; third, Mrs. Dan Ruth. Low net for Gettysburg, first, Mrs. John Welsch; second, Mrs. Edward J. Nowicki Jr. and Mrs. Ray Drum; third, Mrs. Marlin Bergdale. Low net for Waynesboro, first, Mrs. Paul MacKenzie; second, Mrs. A. B. Sollenberger; third, Mrs. William Curry. Mixed golf and cook-out at the Gettysburg Country Club will be featured on Thursday, beginning at 5 p.m. Ladies are reminded to make reservations in the ladies' locker room for luncheon and golf next Tuesday.

**Mr. and Mrs. Francis Menchey** and their sons, Ronnie and Gary, Spencerport, N. Y., are visiting with Mr. Menchey's parents, Mr. and Mrs. Ralph Menchey, and grandmother, Mrs. Menchey, Grand View Terrace, on their return from spending two weeks at Myrtle Beach, S. C.

**Mrs. Charles E. Lamb**, Washington, D. C., is visiting at the home of her parents, Mr. and Mrs. Fred Swisher, R. 1.

**The Annie Danner Club** had 38 members and guests at their annual picnic held at the Recreation Center. The entertainment was horseshoes and croquet for the adults and a candy scramble for the children. The committee comprised Mrs. Mildred Adlesperger, Miss Violet Kidwell, Miss Wynona Woodward and Mrs. Margaret Rouse. Next week the club will meet in front of the YWCA at 6:30 and hike to Spangler's Spring. Members will bring their own box lunches.

**Mrs. L. D. Cruze**, Hanover St., is visiting her sister in New York.

**Mr. and Mrs. Milton Tipton**, York St., had as house guests over the weekend Mr. and Mrs. Arthur Chaney and Miss Lillian Moser, Baltimore.

**Reservations for the Women's Civic Council's trip to Fantasyland** must be made by Friday with Mrs. Howard Hartzell or Mrs. Edith Bushman. Members may bring guests.

**John B. Riddlemoser** has returned to his home in Amityville, Long Island, N. Y., after a week-end visit with his mother, Mrs. Lillian M. Riddlemoser, McKnightstown.

**The Gettysburg WCTU** will meet Friday evening at 7:30 o'clock at the home of the Rev. and Mrs. Luther Slifer, R. 2.

**Tommy Smyth**, 11, Baltimore, has been visiting with his grandparents, Mr. and Mrs. Roy Alexander, East Broadway, for the last three weeks. On Sunday he will be joined by his parents, Mr. and Mrs. William T. Smyth, his sister, Susan, and brothers, David and Jimmy, to spend the summer vacation with the Alexanders at their cottage at Pine Lake Furnace.

**O. G. MacPherson Jr.** and daughter, Mary Ann, Orange, Texas, and son, O. G. MacPherson III, have returned home after spending some time at the home of his parents, Mr. and Mrs. Oliver G. MacPherson, Taneytown Rd.

**The Adams County Fish and Game Auxiliary** will meet Friday evening at the summer home of Mrs. Maybelle McKenrick above Mt. Hope, leaving from in front of the YWCA at 6:15 o'clock. This will not be a covered dish supper as previously planned. Members who expect to attend are asked to contact Mrs. Fred Swisher. In case of rain the meeting will be held in the social room of Mrs. McKenrick's home, R. 6.

**A/IC Joel B. Riddlemoser** has returned to his station at Barksdale Air Force Base, La., after spending a 15-day leave at the home of his grandmother, Mrs. Lillian M. Riddlemoser, McKnightstown.

**The Harrisburg Rd. 4-H Cookettes** and Sewettes met Tuesday evening at the home of Debbie Reinhart, Gettysburg R. 6. The cookettes made popcorn and a pineapple drink and the Sewettes worked on shirts and dresses. The next meeting of the 4-H Club will be held at 7:30 p.m. July 24 at the home of Sally and Betty Lott, Gettysburg R. 4.

The next meeting of the 4-H Club will be held at 7:30 p.m. July 24 at the home of Sally and Betty Lott, Gettysburg R. 4.

## Wedding

Weishaar—Gouker

Miss Victoria Roslyn Gouker, daughter of Mr. and Mrs. Charles Gouker, Littlestown R. 2, and Michael Joseph Weishaar, son of Mr. and Mrs. Raymond Weishaar, Gettysburg R. 5, were united in marriage on Saturday at 10 a.m. in St. Joseph's Catholic Church, Bonneauville.

The double-ring ceremony was performed by the Rev. Dr. John E. Metz, pastor of St. Aloysius Catholic Church, Littlestown, and pastor of the bride. He was also celebrant for the nuptial mass which followed. The altars were decorated with bouquets of white gladioli. Girls of the parish sang during the Mass. Mrs. Bernard Walter, church organist, presided at the console.

The bride, who was given in marriage by her brother, Roger C. Gouker, Littlestown, was attired in a white nylon chiffon ballerina length gown with a lace bolero featuring three-quarter-length sleeves. She wore white gloves and her jewelry was a pearl necklace. Her headpiece was a white leaf design with pearl sequins and double veil. She carried a bouquet of white roses.

### RECEPTION FOR 250

The bride was attended by Miss Veronica Weishaar, Gettysburg R. 5, sister of the bridegroom, as maid of honor. She wore a lavender chiffon ballerina length dress with matching accessories.

Thomas Gouker, Littlestown, brother of the bridegroom, served as best man. The ushers were Ronald Weishaar, Gettysburg R. 5, cousin of the groom, and James Cook, Gettysburg R. 5, friend of the groom.

A reception was held following the ceremony in the church social hall. Approximately 250 wedding guests were in attendance. The couple left on a wedding trip of unannounced destination. For a growing away, the bride chose a gown and tan ensemble with white accessories. Upon their return, the newlyweds will reside at Gettysburg R. 5.

Mrs. Weishaar attended Littlestown High School. Her husband was graduated from Delone Catholic High School and is employed by Richard Weaver, Gettysburg R. 5.

## SHOWDOWN TO COME SOON IN NEW ALGIERS

ALGIERS (AP)—A collapse of talks to heal a leadership split in the new Algerian nation and prospects of a showdown between Premier Ben Youssef ben Khedda and Deputy Premier Ahmed ben Bella produced signs of nervousness here today.

Apparently backed by the bulk of the 45,000-man National Army of Liberation, Ben Bella planned a triumphant advance into western Algeria from Rabat, Morocco, where talks with Ben Khedda's emissaries broke down early today.

### TROOPS MOVE

A vanguard of 2,000 troops of the liberation army, with Soviet-built artillery, was moving to Oran, in western Algeria, the nation's second largest city. A victory parade was planned in advance of Ben Bella's arrival there Thursday, apparently to demonstrate his popularity. Then the leader who advocates a Socialist revolution in Algeria, will address a mass meeting.

Ben Bella, it appeared, counted upon a procession of triumph from his entry at Marnia, his birthplace on the Moroccan border, to Tlemcen, where he planned to stay tonight, and on to Oran and perhaps Algiers.

No new army talks were scheduled in Rabat.

## WILL APPEAL

(Continued From Page 1)

ing a nonsupport hearing. George B. Bucher, Gettysburg R. 3, was ordered to pay \$12.50 per week for his wife and two children following a support hearing.

Hearing on the support charge against John J. Gochenauer was continued to August 2.

Gene F. Tanger, York Springs R. 2, was ordered to pay \$20 per week for the support of his wife and two children following a hearing.

Philip S. Proctor, Fairfield, was ordered to pay \$25 per week for the support of his wife and children following a hearing.

### CAR CAME FIRST

The support charge against Richard U. Blubaugh, Littlestown R. 1, was continued for six months, to be terminated then unless revived in the meantime. He was also ordered to pay the costs.

Roland L. Bollinger, Haney, was ordered to pay \$6 per week for the support of his wife. Bollinger told the court he could not afford to leave his father's home on his salary because of his payments on his car and to a finance company. The couple separated after living at the father's home for some months.

Kenneth R. Smeed, 21, Biglerville, was ordered to pay \$15 per week for the support of his wife. The couple separated in Florida shortly after marriage. A reconciliation was almost effected upon their return here, according to the testimony, but Smeed said he lost his love for his 18-year-old wife because "all she wanted was a trailer." He said she would not consider living in an apartment.

Carl H. McDermitt, New Oxford R. 1, was directed to pay \$10 per week for the support of a child living with his estranged wife. In a lengthy hearing, McDermitt said arguments stemmed from his wife's interest in other men to which she admitted in part at the hearing. He told the court the thing he was most sorry about was becoming angry and throwing his 13-year-old daughter's birthday cake in her face during a family fuss.

A support order against George D. Flickinger, Gettysburg R. 3, was terminated. A nonsupport case against Roy E. Rice, Aspers, was continued to August.

### FIREMEN AID CAT

Cashtown firemen were summoned this morning to the home of Andrew Barclay, Orrtanna R. 1, to remove a cat from a tree. Fire Chief Otis Bucher, when summoned, was up another tree in an orchard picking cherries—and left there to see what he could do about the cat.

### PARKED CAR HIT

Eugene Shaffer, Biglerville R. 1, reported to borough police at 5:55 o'clock Tuesday evening that his Volkswagen, parked on S. Franklin St., near the Arctic Locker, had been hit by another car during the day. Damage was estimated at \$20.

WASHINGTON (AP)—Retail sales, one of several key economic indicators declined 2 per cent in June.

The sales report, based on preliminary figures, was issued Tuesday by the Commerce Department. It showed that retail sales were down by \$431 million to a total of \$19.1 billion in June, the sharpest dip since the end of the 1961 recession. Retail sales were off by \$117 million in May.

viewed by three satellites, orbiting 23,500 miles high so they appear to remain stationary over the same points on earth. Telstar's task is first to prove the capabilities, and help determine what problems still lie ahead.

WASHINGTON (AP)—The Senate finance committee today voted 10-5 to knock out of President Kennedy's tax revision bill the withholding system on dividends and interest.

The vote was a sharp setback for the President. He had counted on the withholding provision, as the biggest revenue source in the bill, to pay for benefits promised to business.

CAMP MERCURY, Nev. (AP)—An underground nuclear explosion, postponed earlier because of unfavorable winds, was set to blast out of a crater at the Nevada test site today.

Meanwhile, an above-ground detonation, also postponed Tuesday, was rescheduled for Thursday.

## Upper Communities

Telephone Mrs. John Leeti, Biglerville 677-7612

Mr. and Mrs. Walter Slaybaugh, Biglerville, have returned home after spending some time with their son and daughter-in-law, Mr. and Mrs. Theodore Slaybaugh, and children, Douglas and Barbara Jo, Blissfield, Mich. Enroute they also visited Mrs. Slaybaugh's brother and sister-in-law, the Rev. and Mrs. J. Clair Peters, Columbus, O.

Mrs. Elsie Montgomery and Mrs. Betty Davidson, Haddon Heights, N. J., have returned home after visiting the former's sister, Mrs. Bessie Heller, Biglerville.

Mr. and Mrs. Paul Stoner and children, Nancy, Susan and Tom, have returned home after spending a few days with Mr. Stoner's brother and sister-in-law, Mr. and Mrs. J. Ralph Stoner, and family, Biglerville.

The Upper Adams Young Farmers Association social and refreshment committee met recently at the home of Cecil Snyder, Biglerville. Plans were made to hold the annual family picnic Saturday evening, July 21, at the Bendersville community park. Harold Huettnner, Mr. and Mrs. George Wagner, Mr. and Mrs. Adam Lobaugh, and Mr. and Mrs. Snyder attended the meeting. Elliott Schlosser was unable to attend.

Miss Martha Showers, Biglerville R. 1, was admitted to the Hanover Hospital Tuesday for eye surgery today.

Mr. and Mrs. William Hollabaugh and family, Hazlet, Ill., have been spending some time with their parents, Mr. and Mrs. Roy S. Peters, Aspers, and J. P. Hollabaugh, Biglerville. They will return home Monday.

Miss Rita Hawbecker, Kensington, is spending some time with her uncle and aunt, Mr. and Mrs. J. Vincent Hawbecker, and family, Biglerville R. 1.

Mr. and Mrs. Ward Taylor, Bendersville, recently spent several days with their son-in-law and daughter, Mr. and Mrs. Jerry Foreman, Alexandria, Va.

Mrs. I. H. Lupp and Mrs. George Clark, Biglerville and Mrs. Lupp's granddaughters, Toni and Tami, York Springs R. D., spent Tuesday and today with Mrs. Lupp's son-in-law and daughter, Staff Sgt. and Mrs. George Swartzbaugh, and son, Eric, and daughter, Penny, Washington, D. C.

Mrs. Clara Woodward and children, Sandra and Roger, Falls Church, Va., spent the weekend with Mrs. Woodward's parents, Mr. and Mrs. Alva Pyles, Aspers. Mrs. Woodward's daughter, Joan, returned home with her after spending a week with her grandparents. Jeffrey Whiles returned to Aspers after spending a week with Mrs. Woodward and family. Sunday guests at the home of Mr. and Mrs. Pyles were their son and daughter-in-law, Mr. and Mrs. Robert Pyles, and family, Drexel Hill.

Mr. and Mrs. Richard Rebert, Lansdowne, spent the weekend with the latter's mother, Mrs. Wilson Blocher, Bendersville.

Philip Bolt, Falls Church, Va., is spending a few days at the home of Mr. and Mrs. Alva Pyles, Aspers.

Upperware orders of the Golden Rule Sunday School Class of Trinity Lutheran Church, Arndtsville, will be delivered to Mrs. John Jacobs' house on Saturday and may be picked up then.

A white luncheon cloth with various color flowers and design was found near the Bendersville community park after a reunion on Sunday. The owner may obtain the cloth by contacting Mrs. Wilson Blocher, Bendersville.

THOMAS SERVICE HELD

Funeral services for Charles Thomas, 80, who died Sunday morning at the home of a son, John Thomas, Gettysburg R. 6, with whom he resided, were held this morning from the Peters Funeral Home, Carlisle St., with the Rev. Nevin Frantz officiating. Interment in the Biglerville Cemetery. Pallbearers were Arthur Ebbert, Earl Smith, Warren Boyer, Cauffman Shenk, Blain Showers and Roy Hess.

WASHINGTON (AP)—The Senate finance committee today voted 10-5 to knock out of President Kennedy's tax revision bill the withholding system on dividends and interest.

The vote was a sharp setback for the President. He had counted on the withholding provision, as the biggest revenue source in the bill, to pay for benefits promised to business.

CAMP MERCURY, Nev. (AP)—An underground nuclear explosion, postponed earlier because of unfavorable winds, was set to blast out of a crater at the Nevada test site today.

Meanwhile, an above-ground detonation, also postponed Tuesday, was rescheduled for Thursday.

## TRAVEL GROUP

(Continued From Page 1)

two very good summer theaters within about 20 miles. It would be difficult to compete."

Final decision of the Travel Council was to call a luncheon meeting of the directors of the Travel Council, Chamber of Commerce and Retail Merchants Association to discuss with Hockenbury the feasibility of a survey to determine whether the town needs a convention hall, whether the money to build one could be raised and whether, if one were built, it could meet its operating costs.

A report was presented on plans for the annual Apple Harvest Holiday to be held under sponsorship of the Adams County Fruitgrowers Association October 13 and 14. Travel Council voted \$50 toward payment of a brochure for the event. Plans include a headquarters at the South Mountain Fairgrounds, a "William Tell" program by archers of the county, luncheon by the county poultrymen's association and tours of the orchards plus movies of the apple industry.

### MEDICAL REQUEST

A number of motel owners reported receipt of a letter from the Adams County Medical Society asking the motel owners to call in physicians when guests become ill at the motels rather than use the dispensary at the Warner Hospital exclusively for treatment for ill tourists. Such excessive use, it was noted, at times puts a strain on the hospital emergency facilities. The Travel Council voted to ask a representative of the medical society to meet with it to discuss methods of handling ill sufferers by tourists.

It was announced that a member of the Travel Council will represent Gettysburg on a program to be presented over a Pittsburgh TV station Wednesday night at 9:30 o'clock.

It was reported that American Airlines is now advertising flights from throughout the country to Washington, D. C., where buses take the visitors to Gettysburg and Harpers Ferry.

President Marshal Tuckey reported that "we are getting quite a lot of mail from the South Central Pennsylvania brochure and at the present time its principal distribution is through the state."

## MRS. MILLER

(Continued On Page 3)

line tax from July 1, 1961, to June 30.

The fund began in 1962 with a balance of \$103,721.20 and income included \$39,702.90 from the state and \$50,000 from cashing a 90-day treasury bill. A total of \$49,658 was invested in a 90-day treasury bill.

The county expended \$19,782.33 for reconstruction of bridges, \$11,019.42 for county aid to towns and townships and lister \$51,713.34 for maintenance and repair, which includes the \$49,658 invested in the treasury bond. The report showed \$31,202.06 being held to pay off "encumbrances" such as damage claims set aside for future roadwork, etc. During the six-month period \$4,650 was paid to the state as the county's share of damages occurring from road construction.

The commissioners this morning gave approval for county and in the following amounts: To Conewago Twp., \$2,092.29; to Littlestown, \$1,725.20; and to Mt. Pleasant Twp., \$2,694.87.

Harry D. Ridinger met with the commissioners this morning in regard to various insurance policies the county carries.

## TEN GROUPS SEEK POSTAL WORKER VOTE

Postmaster Charles W. Pentz has reported that local postoffice employees, now represented by the United Federation of Postal Clerks and the National Association of Letter Carriers, recently participated in a postal employee organization representation election.

More than 360,000 employees from 15 regional offices of the Post Office Department are involved in the voting with more than 38,000 from Pennsylvania, New Jersey and Delaware.

The 10 employee organizations seeking to represent one or more of the seven postal crafts, clerks messengers, etc., are as follows: National Association of Special Delivery Messengers, American Federation of Government Employees, National Alliance of Postal Employees, National Postal Union, National Association of Post Office Mail Handlers, Watchmen and Group Leaders, National Association of Post Office Maintenance Employees, National Federation of Post Office Motor Vehicle Employees, United Federation of Postal Clerks, National Association of Letter Carriers and National Rural Letter Carriers' Association.

### TALLY BEGAN MONDAY

The tallying of votes began Monday but final results will not be known until about July 15, after which the organizations will be certified according to the degree of recognition, of which three degrees are possible:

Informal recognition, available to any organization, regardless of the number of employees it represents. This group has the right to hearing by management, but management is not required to seek its views. Formal recognition, for groups with at least 10 per cent representation, where no organization has been granted exclusive recognition. Local postal management is required to consult these organizations on matters affecting members. Exclusive recognition, for groups with more than 50 per cent recognition. The postmaster and his staff are required to work closely with these organizations, holding regular meetings and working out written agreements in matters affecting members.

None of these types of recognition permits unions to negotiate for salary increases which continue to be handled by Congress. They must continue to forswear the right to strike and cannot interfere with merit promotion system principles. Management will continue to retain its normal administrative rights, including the right to hire, promote, transfer, suspend or discharge employees for cause.

Employee groups can negotiate such matters as scheduling of vacation time, preferred work assignments, promotion procedures and on a wide range of policies involving job privileges and working conditions.

### CONTRACT AWARDED

HARRISBURG (AP) — The state Highways Department has awarded a multi-million dollar road construction contract in Adams County.

A department Tuesday awarded H. J. Williams Co., Inc., York, a \$2,114,200 contract to construct a 3.56-mile section of the Gettysburg bypass. Bids were opened several weeks ago.

### PLAN YOUTH MEETING

There will be a meeting of the adult and youth committees for the local Youth Center at the American Legion building next Tuesday at 7 p.m. Any interested persons are invited to attend.

## Sketches

By BEN BURROUGHS  
"SWEET AND TENDER"

Each time I'm blessed to hold you . . . my life seems so complete . . . and you are oh so sweet . . . heaven is within reaching . . . when you are by my side . . . even the stars become sailboats . . . on which I take a ride . . . your eyes hold all the answers . . . to things I seek to know . . . so your deep understanding . . . keeps waning hopes aglow . . . and when our lips press together . . . two hearts become as one . . . sharing a kiss with you, dear . . . lets golden dreams be spun . . . such is the wonder of you . . . this verse I write to praise . . . someone so sweet and tender . . . worthy of each warm phrase.

## 8 WILL ATTEND FARM MEETING

Eight county youths Sunday will leave for Lock Haven State College where they will attend a four-day state-wide conference of the Pennsylvania Farm Cooperative Youth Program.

The following counties were selected by the Adams County Council for Cooperatives to attend the conference: Shirley Bair, Littlestown R. 2; Richard Funt, Biglerville R. D.; Susan Fissel, Biglerville R. D.; all 4-H Club members; Richard Simpson, Gettysburg R. 5; of the Battlefield Chapter of FFA; Ellis Rentzel Jr., Gettysburg R. 4; of Battlefield Chapter of FFA; Eugene Sowers, Fairfield R. 1, member of the Mason-Dixon Chapter of FFA; Dennis Ebbert, Biglerville, of the Apple City Chapter of FFA, and Robert Linebaugh, Abbottstown R. 1, of Conewago Chapter of FFA.

The participants in the summer institute, which is sponsored by the Pennsylvania Association for Farm Cooperatives, will hear lectures and conduct discussion on farm cooperatives and careers for farm youth. There will also be group activities such as swimming and square dancing.

Kenneth Tyson, Gardner R. 2, assistant manager of the Farm Credit Cooperative, Carlisle, will attend the conference as an instructor.

## Services Are Held For Mrs. D. M. Wolfe

Funeral services for Mrs. Dorothy M. Wolfe, wife of Roland Wolfe, Aspers, who died in Carlisle Hospital Saturday morning, were held at the Dugan Funeral Home, Bendersville, Monday afternoon at 2 o'clock with Rev. Dr. O. D. Coble officiating. Interment in Bendersville Cemetery.

The pallbearers were: Ralph Koonitz, Lloyd Ray, Eugene and G. Edwin Mottar, and Stewart and John Heller.

### NEW YORK EGGS

Wholesale selling prices based on exchange and other volume sales.

New York spot quotations: Whites: Extras (47 lbs min) 33-35; extras medium (40 lbs average) 28-30; top quality (47 lbs min) 35½-38½; mediums (41 lbs average) 29½-31½; smalls (36 lbs average) 19½-20½; peewees 14½-15½.

Browns: Extras (47 lbs min) 33½-35½; top quality (47 lbs min) 35½-37½; mediums (41 lbs average) 28½-30½; smalls (36 lbs average) 19½-20½; peewees 14½-15½.

## 10 STUDENTS FROM INDIA TO SEE PARK

SHIPPENSBURG—Shippensburg State College, designated by the Department of Public Instruction as the state center for study of the culture of India, will be host to approximately 10 college students from India from July 18 to 30.

During the two-week period, the young men and women from India will attend classes and enter into the regular college life of the summer term at the college. Each of the visitors will share a dormitory room with a Shippensburg student who will serve as host or hostess.

The visitors will be part of a plane load of students being flown to this country by the Experiment in International Living of Putney, Va. Last summer a group of 10 students from France spent two weeks on the Shippensburg campus under the sponsorship of the organization.

### HERE ON JULY 23

Dr. Ralph E. Heiges, president of the college, has named a faculty committee to plan a special itinerary for the visiting students. The committee includes Dr. James Myers, Prof. Stanley Jenkins and Prof. John Hubley, the chairman.

Tentative plans call for a briefing of the visitors on July 18, the date of their arrival, and a tour of the Shippensburg Area Public Schools on the following afternoon with the president's reception set for that evening.

On July 23 the students are scheduled to tour the Gettysburg battlefield. They will tour local industries July 24 and that evening will be guests of the Rotary Club at the Shippensburg Community Fair.

## ROTC STAFF ON GAP DUTY

Three members of the Army ROTC Staff at Gettysburg College have joined a staff of more than 300 at the Second Army ROTC Summer Camp at Indiantown Gap Military Reservation, near Annapolis. The ROTC Summer Camp at Indiantown Gap will conduct training for over 2,000 ROTC cadets representing 46 universities and colleges throughout the United States.

ROTC Summer Camp training supplements the instruction received by ROTC cadets at their colleges and universities. While the instruction received at the colleges and universities is primarily classroom work, the training received at summer camp is an intensified field training program stressing individual performance of military duties under field conditions.

The training will include basic rifle instruction, 81 mm mortar training, 106 recoilless rifle training, physical proficiency training and testing, squad and platoon attack training, a field training exercise, dismounted drill, leadership evaluation and other training geared to prepare the cadets for a commission in the United States Army when they have completed their military and academic requirements for a commission. Indiantown Gap covers 26 square miles. The rugged terrain of the training areas makes it ideal for the conduct of military training of the type which the cadets are scheduled to receive during the summer camp period.

The staff representatives from Gettysburg College are Lt. Col. John H. Eddy, professor of military science, and two instructors, SFC. Donald C. Ridenour and Sgt. Billy A. Davis.

Beer-loving West Germans consumed 462,000,000 gallons of draught beer in 1960, a postwar record.

## Maitland Has Part In Mock Assault

Midshipman Second Class Gary R. Maitland, son of Mr. and Mrs. Russell W. Maitland, Gettysburg R. 3, participated in a simulated combat assault of a beach June 20 following two weeks of summer midshipman training at the Naval Amphibious Base, Little Creek, Va.

The midshipmen, entering their third year at the Naval Academy,

Annapolis, Md., joined a battalion of marines aboard five amphibious ships for the exercise at Camp Lejeune, N. C.

Wearing combat uniforms, the 805 midshipmen hit the beach under mock battle conditions. The assault landing included airdrops of Navy underwater demolition teams, inland assault by helicopter-borne troops, simulated nuclear weapons attack, close air support and shore bombardment by ships.

The training gives midshipmen knowledge of how beach landings are accomplished under battle conditions preparing them for the day they will become naval officers.

### ROSENBERG CONFIRMED

WASHINGTON (AP)—The Senate has confirmed Louis Rosenberg of Pittsburgh as a U. S. District Court judge for Western Pennsylvania.

The confirmation of the 63-year-old Beaver Falls native came Tuesday, a day after the Senate Judiciary Committee approved the appointment.

## RUSK SETS UP U.S.-SOVIET BERLIN TALKS

WASHINGTON (AP)—Secretary of State Dean Rusk today set up a new U.S.-Soviet exploratory talk

in the long search for a Berlin settlement formula. He made a date to see Ambassador Anatoly Dobrynin late Thursday.

Agreement on the new meeting, which Rusk initiated, became known in the wake of a new public proposal by Premier Nikita Khrushchev for withdrawal of U.S., British and French forces from West Berlin and their substitution by Allied and Communist small-nation troops under the

United Nations flag.

But State Department officials said that the discussion set for 3 p.m. EST Thursday was not suggested by Rusk because of the Khrushchev speech.

### TALKS IMPORTANT

It was rather that the Kennedy administration believes it is important to maintain regular U.S.-Soviet contact on the Berlin dispute. The State Department had already issued a statement Tues-

day branding Khrushchev's troop proposal as unacceptable.

Actually, the Rusk-Dobrynin meeting is considered here to be preliminary to a probable meeting in the next week or 10 days between Rusk and Soviet Foreign Minister Andrei Gromyko on the Berlin situation.

Unstuffed confectioners' sugar yields about 3½ cups; after it is sifted the yield will be about 4 cups.

TWENTY-FIVE YEARS AGO

**Smith-Fisher: Lawrence Smith,** son of Mr. and Mrs. Jefferson Smith, Gettysburg, and Miss Ida Fisher, Frederick, Md., were married in Frederick by a Methodist minister on Sunday. The couple is residing at 214 South Washington Street. The bridegroom is employed as a bellboy at the Hotel Gettysburg.**Fairfield Carnival:** Large crowds attended the 12th annual Fairfield carnival and homecoming celebration held last week despite rain which fell at times. Nine fire companies participated in the parade held on Tuesday which was delayed until 4 o'clock by a heavy downpour.**Fire Works Display:** Between two and three thousand spectators jammed the Gettysburg high school athletic field last Tuesday evening to witness the fireworks display sponsored by the Gettysburg Lions Club. Many more witnessed the display from surrounding fields and hills and automobiles parked at advantageous points.**Named Chief Of Police:** By the unanimous vote of the seven members of the borough council in attendance at the meeting Borough Officer Lloyd E. Wisler, Hanover St., was named chief of police in Gettysburg, a position that has been vacant for more than five years. Council took no action to increase Officer Wisler's salary above the \$100 per month he has received since becoming a member of the force last November. Wisler's selection came largely because of his 18 years' experience in police work. He served four years with the state police, a year and a half as a detective for the Western Maryland railroad company and the remainder of his experience was gained as a coal and iron policeman for the Lehigh Valley and Reading companies. He was elected as a member of the force last November to fill the vacancy caused by the death of Officer Chester M. Spence.**Mrs. Timmins Dies:** Mrs. Florence Evelyn Timmins, 40, wife of William T. Timmins, died at her home, 222 Buford Ave., at 7 o'clock Wednesday evening. She had been ill for about nine months from a complication of diseases. A daughter of James W. and Rose Weaver Culp, she was a graduate of Gettysburg High School and a life-long member of St. James Lutheran Church. She was a member of the ladies' auxiliary of the Albert J. Lentz Post of the American Legion. Surviving are her parents, her husband and a son, William T. Timmins Jr., at home; three sisters and a brother.**Planes Renew Search:** Three Navy planes were ordered catapulted over the major group of the Phoenix Islands in a search which naval officers said would probably disclose whether Amelia Earhart is still alive. If these searches do not reveal trace of the missing aviators, naval officers said there was scant hope of their being found by 62 planes from the aircraft carrier Lexington. By sea and air search for the missing aviatrix and her navigator, Frederick J. Noonan, has encompassed approximately 136,000 square miles without even sighting some of the shoals and sand spits supposed to exist in the vast area. The fliers vanished a week ago in an attempt to fly the 2,750 miles from Lae, New Guinea, to Howland Island, a dot of land but two feet above the sea.**Mrs. Gilliland Dies:** Mrs. Ada E. Gilliland, wife of W. F. Gilliland, 239 Carlisle St., died Sunday morning at 7:45 o'clock at the Annie M. Warner Hospital where she had been a patient for nearly two weeks. Mrs. Gilliland had been in ill health for some time and had been admitted to the hospital June 26 and submitted to a major operation. She was one of the**Today's Talk****CHANGE**  
Mere routine will dry up the oil in the most active human frame.  
Compelling personalities are those that thrive on interests. One reason why so many housewives are unhappy in their home life is because they have so few interests.  
Next to that of being called a mother, there is nothing more fine or noble than to be called "a working woman."If your days are long and dull, something is the matter with you—not the days.  
Fate is only against the one who will not work, who will not think, who will not attempt something that has never been done before.  
I have always made a careful study of those who are well known, who have accomplished much, and I have found that they are folk whose lives teem with interests, with change from this to that.

Keep interesting yourself in a large number of things, and you will be amazed at the ease with which you accomplish the big things about which your life centers.

Even though you do one thing well, if you do not vary your work, you will grow dull, even at the one thing. Or, at least, you will grow uninteresting to anybody outside yourself. And who wants to live in a self-made cage? Sprinkle your life with changes. Work, play, laugh. Be foolish every once in a while. Even get used to being laughed at. What does it matter? Despite its faults, it's a whole of a world!

Tomorrow Mr. Adams will talk on the subject: "Mistakes As Teachers"

Protected, 1962, by The George Matthews Adams Service

**Just Folks****STRUGGLE**  
Ever and over the world rolls on,  
And ever man's lot must be  
To bear some care till the day be goneAnd nighttime sets him free,  
For whatever the goal that he would attain  
He must reach it through struggle  
and loss and pain.Never by law will trouble be stopped,  
Or the hand of death be stayed,  
Burdens can never be wholly dropped,Although easier life be made,  
For man must labor and woman must spin  
For the happiness which they hope to win.Change may fashion its customs new,  
But ever will life remain  
A dream of something man hopes to do,And an inch of growth to gain,  
For trouble and trial and grief must be  
Forever a part of man's history.

**MAURY WILLS COBB THREAT**By JACK HAND  
Associated Press Sports Writer  
WASHINGTON (AP)—Maury Wills convinced doubting American League All-Star fans that his blinding speed is a long shot threat indeed to Ty Cobb's base stealing record.The fleet Los Angeles Dodgers shortstop stole a base and scored the first run in Tuesday's 3-1 victory by the National League in the 32nd All-Star game and impressed one and all with his dashing base running.  
When Rocky Colavito of Detroit fielded a single by Jim Davenport of San Francisco in left and threw behind Wills, apparently trapping him between second and third. Wills shifted into high gear and beat the relay to third base in the eighth. A few seconds later he sped some on a foul fly to short right field.Casey Stengel, whose New York Mets have been made aware of Wills' speed all season long, said he wasn't surprised at all.  
"He's got the move of a snake when he slides," said 72-year-old Casey, who spent the day on his feet, coaching at first base.**Fight Results**By THE ASSOCIATED PRESS

**WINNING RALLY TRIGGERED BY STAN MUSIAL**By W. B. RAGSDALE JR.  
WASHINGTON (AP)—Baseball's elder statesman, Stan Musial, triggered the winning rally for the National League in the 32nd All-Star game with a pinch-hit single.

And one of the loudest rosters for old man Musial, age 41, was young Jack Kennedy, age 45, considered possibly a little young to be President of the United States.

When he was told of the President's cheers after the game, Musial let reporters in on what he and the President talked about in their meeting just before Tuesday's game.

**"WE'LL FOOL 'EM"**

"When I shook hands with him before the game today," Musial said, "he was telling everybody what a good job of campaigning I did for him."

"I reminded him of the time we first met. It was in Milwaukee in the summer of 1960. As we shook hands, he said, 'They tell me you're too old to play ball and I'm too young to run for president. I have a hunch we'll both fool 'em.'"

"The President remembered all right," Musial said, "and he laughed when I added, 'And I think we're both doing a good job.'"

**Ovation For Stan**

The capacity crowd of 45,480 at D. C. Stadium gave Musial an ovation before and after the hit. The National League scored two runs in the sixth inning after Musial's pinch hit single for pitcher Juan Marichal of San Francisco and went on to win 3 to 1.

Over in the American League dressing room, Manager Ralph Houk was musing over what might have been.

Roger Maris of Houk's New York Yankees swatted a mighty drive in the sixth with two men on base that could have put him ahead.

**PITCHING WAS KEY**"That ball of Maris was really hit," Houk said. "I thought it was going to make it."  
But center fielder Willie Mays of San Francisco grabbed the ball on a great catch more than 400 feet from home, then bounced off the wire fence in deepest center field.

One run scored after the catch, but that was all for the American League in the scoring department. Houk thought pitching was the key to the game, but added that it "always is" when you get this kind of pitching. Those guys are really pitchers, on both sides.

**ALONZO STAGG IS NEARLY 100**

STOCKTON, Calif. (AP)—Football's incredible Amos Alonzo Stagg reaches his 100th birthday on Aug. 16, commemorating a century of living and teaching by the moral principles to which he was dedicated.

"I felt specially called to preach," he says, "but I decided to do it on the athletic fields."

With that decision in 1890 began a coaching career spanning 70 years with innovations and contributions to be remembered as long as the game is played.  
His eyes are dim, his hands tremble, he moves and speaks slowly as the body that made him a 160-pound athletic star yields grudgingly to the demands of time.

At Yale where he was a member of the first All-America football team ever selected, Stagg studied for the ministry and pitched baseball—the best collegiate hurler of the era.

Yale won five league championships during Stagg's pitching career and he turned down six offers from major league clubs.

**Three Race Cards****At Williams Grove**

WILLIAMS GROVE — Three events make up the schedule for Williams Grove Speedway this week.

Thursday night the third in a weekly series of drag races will be presented at Bob Richwine's racing plant, 10 miles southwest of Harrisburg. Classifications begin at 6 p.m. with the first competition getting underway at about 8 o'clock.

Friday night it's back to the CVRA modified stock car races. These events have proved very popular this season with average crowds far in excess of 5,000 which makes "the Grove" undoubtedly the top attendance track in Central Pennsylvania.

Sunday afternoon at 2 o'clock the midgets of ARDC will return to "the Grove" for a five-event card which includes a big 100-lap feature. "Dutch" Schaefer, ARDC president, has again drawn up a fine field of cars for the Sunday program.

The American Bowling Congress credits Bob Magnabousco of Maywood, N. J., as the youngest bowler (he was 14 in 1959) and Wilson Gildersleeve of New York City (74 in 1957) as the oldest bowler to record 300 games.

**Fairfield Little League**

The Pirates moved to within a half-game of first place by defeating the Giants 11-2 on the three-hit pitching of Steve Weikert Tuesday evening.

The Pirates scored three runs in the top of the third to tuck away the victory. Doubles by Steve Weikert and Bob Fitez and a single by Bill Sanders helped produce the tallies. The winners' 11 hits included eight doubles, three by Weikert.

Danny Wyatt paced the Giants' attack with a double and single in three times at bat.

MOUNT CLEMENS, Mich. (AP)—Tommy Milton, 68, a top-ranked star of auto racing's Hall of Fame, died Tuesday of two gunshot wounds after arranging his own funeral, his brother said.

Homer Milton, who lived with his famous brother in a \$100,000 home at the mouth of the Clinton River, said Tommy's health had been failing since a heart attack several months ago.

The coroner, Dr. Harold Brockman, termed the case a "probable suicide" and said the gunshot wounds were the cause of death. He said a final determination would be made after an investigation by the Macomb County sheriff's office.

Sheriff's detective Lee Eschenburg called the death an "apparent suicide," but said it would be kept under investigation until details could be explained.

**SLAMMIN' SAM HITS TROUBLE**

TROON, Scotland (AP)—Sam Snead, 50-year-old American golf veteran and one-time winner of the British Open, ran into trouble on the first round of the famed championship today and carded a 36-40—76.

The White Sulphur Springs, W. Va., professional, winner of more than 100 tournaments in his career, yielded four shots to par on the back nine of the heavy, 7,045-yard Old Troon course, which plays a par 36-36—72.

Snead played cautiously, instead of with the long-hitting abandon for which he is famous, and the tactics failed to pay off.

Snead was one of eight American qualifiers, including defending champion Arnold Palmer and the new U.S. Open champion, Jack Nicklaus.

The course played hard for early starters after a heavy overnight rain, which left the fairways soggy and the greens inconsistent. Max Faulkner, who won the title in 1951, skied to a 40-44—84, taking an 11 at the par four 11th hole.

Oldest bowling league in the nation is the New York Bankers League. It has completed 72 seasons.

**Eastern League**By THE ASSOCIATED PRESS  
When Binghamton Manager Granny Hamner reluctantly heaved himself off the bench early this season to help his depleted Triple-A pitching staff, he was almost sorry. He wanted to manage, not pitch.

But he's not sorry now. And neither are his players, although everybody else in the Class A Eastern League is.

The one-time Philadelphia Phillies whiz kid is now one of the premier pitchers in the minor circuit.

The 35-year-old veteran went the route Tuesday night defeating the Charleston Indians, 5-3, and earning his ninth win in 12 decisions. The victory boosted the Trips to third, one percentage point ahead of Charleston.

In other games, the Elmira Pioneers won their fourth straight from "laser" place Springfield, 3-2. Mickey McGuire set the Pioneers in motion by blasting loser Jack Blehm's first pitch over the Dunn Field fence. Herm Starrette (9-6) was the winner.

At Williamsport, the runaway Grays were stopped, 2-1, by the York White Roses. Gary Modrell won his eighth against three losses. He struck out 12.

HOUSTON, Tex. (AP)—Eddie Machen and Cleveland Williams ruined their immediate chances for heavyweight title shot Tuesday night with a cautiously fought 10-round draw. Each said he would like to try over again.

Both Machen, the No. 2 heavyweight contender, and Williams, ranked No. 5, climbed into the ring hoping to come out with a clear-cut right to challenge the Sonny Liston-Floyd Patterson winner for the title.

Their only consolation came from a packed house that may well have paid a record Texas gate in excess of \$70,000. Each fighter will get a 30 per cent cut.

**BOTH WANT REMATCH**

"I want a rematch," said Machen after it was all over. "I'll fight him again and I'll fight him any place."

Williams also dissatisfied said, "I'd like a rematch. I think I can beat him."

Machen, if unhappy over the verdict, had no second thoughts about his part of the fight and said it went as planned.

**MACHEN OUTWEIGHED**

The Portland, Ore., fighter entered the ring outweighed by more than 13 pounds. Williams scaled 211½ to Machen's 198.

Machen came out unscathed. Williams had a cut on the mouth and a mouse over his right eye.

Referee Jimmy Webb and judge Ernie Taylor each had Williams leading by a point going into the tenth round. The tenth turned out to be Machen's best round and it won him a split for his 48th fight.

Both Webb and Taylor gave each man 96 points out of a possible 100 under the 10-point must system. Judge Earl Keel saw it 97-94 for Williams, but the decision went to the majority.

**OVER 40 CLUB IS ON TARGET FOR '62 GOALS**By MIKE RATHET  
Associated Press Sports Writer  
NEW YORK (AP)—Stan Musial, Warren Spahn, Early Wynn and Diomedes Olivo—an exclusive quartet comprising baseball's over 40 club at the start of the 1962 season—have drawn within range of their announced targets.

Musial, the 41-year-old National League batting great with the unorthodox, but picturesque swing, has been the most successful, but the others—old pitchers—also have taken long strides toward their goals.

In his 20th season with the St. Louis Cardinals, Musial started the season seeking to add five NL career records to the three he already held. He has completed 40 per cent of his mission and in the process established a major league record while batting .333 with 12 homers and 41 runs batted in.

**OTHER RECORDS**

He surpassed Mel Ott's NL record for runs scored early in the season and now has 1892, second only to Ty Cobb and Babe Ruth. And on May 19 Musial stroked a single in the ninth inning off Los Angeles' Ron Perrier for his No. 3,431. That broke Honus Wagner's NL mark of 3,430.

On June 22, at Philadelphia, Musial hammered a homer and two singles breaking Cobb's major league record of 5,863 total bases. Preparing for Tuesday's All-Star game, he had 5,891.

Musial needs to play in 51 games to equal Wagner's record of 2,785, has to drive in six runs to Ott's mark of 1,860 and has to bat nine times to put even with Wagner in at-bats at 10,427. Musial previously held the NL records for doubles, total bases and long hits.

**SPAHN'S GOAL**

Spahn, 41-year-old Milwaukee southpaw has compiled an 8-10 record with a 3.20 earned run average, and is well on his way to reaching his prime goal—becoming the No. 1 left-handed winner in major league baseball annals.

He began the campaign with 309 victories, the most in National and American League history, but short of the record 326 posted by Eddie Plank. Plank won 21 games in the outlawed Federal League, and is generally credited with being the top winning southpaw.

Spahn now needs only nine victories to tie and 10 to pass Plank and with better support over the last half of the campaign should be able to reach his target. He has started 18 games, completed 11 and has been the losing pitcher in five one-run games.

Wynn, 42-year-old right-hander toiling for Chicago's White Sox, is within four victories of the 300-victory circle attained by only 13 other pitchers. He stands at 4-6 for the first half of the year, and could crack the exclusive club.

Olivo, who admits to 43 and could be older, has won a berth with the Pittsburgh Pirates. For his first full trip in the majors, he is 3-0 with 38 relief appearances, and has been a vital middle-inning bullpen ace. He's finally made the majors.

POTTSTOWN, Pa. (AP)—The Pottstown Mercury reported Tuesday Carl Braun of the Boston Celtics will retire this year.

Braun was quoted as saying he hadn't informed Walter Brown, owner of the National Basketball Association champions, but "I've definitely made up my mind to retire. I'm looking forward to a business career."

Braun, 35, is also a former coach of the New York Knicks and

Plans Completed For  
County Little League  
Tourney; Opens July 25

Fairfield, Upper Adams and New Oxford will be the sites for the first round of the second annual Adams County Little League baseball tournament, it was announced Tuesday evening at a meeting of county officials at the Elks home.

Following a lengthy review of the rules, most of which were incorporated last year, the representatives drew positions for the first round. Conewago will play at Fairfield; Gettysburg, defending champions, will play Upper Adams on the Bendersville diamond, and Littlestown, last year's runner-up, will play at New Oxford. All three games will be played Wednesday, July 25. The tournament will be run on a double elimination basis.

It was decided again to allow each team to have at least one home game during the tourney. East Berlin, which took part last year, will not participate in this season's tournament.

**FINALS AT L-TOWN**

The final rounds of the tournament will be staged on McSherry Field, Littlestown, starting August 1. Gettysburg played host to the finals a year ago.

During the meeting it was also revealed that Emmitsburg has shown an interest to take part in the playoffs. The county board will also encourage East Berlin to take part next year or ask another team to join with Emmitsburg to make it an eight-team tourney. The vote for the two new teams will take place following the 1962 tournament.

All six leagues were well represented at Tuesday's meeting.

Phillips 66 solidified its grip on third place by clobbering the Eagles 21-4 Tuesday evening.

In the first inning Phillips tabbed three runs. Denny Herring tripled to left-center and scored as Gary Herring reached base on an error. Joe Redding and Bobby Bratcher walked to load the bases. Phil Asper skied to center, Gary Herring scoring. Jim Rosensteel singled to send Redding home.

Seven more runs in the third inning enabled the Oilers to breeze through handily.

The Eagles' lone earned run came in the second inning Mike Baker singled and Don Baker tripled.

**Lucas Plans Are in Doubt**

By ED CORRIGAN  
Associated Press Sports Writer  
NEW YORK (AP)—The big riddle in the National Basketball Association today was: Will All-America Jerry Lucas stick with the Cleveland Pipers, the newest entrant in the league?

"I spoke with him Monday," said George Steinbrenner, principal stockholder of the Pipers, "and he agreed to play in the NBA. We are working out details now so he can continue his education."

"I think Jerry realizes now there is not much difference between the 80 games in the NBA and the 72 he would have played in the American Basketball League."

But Lucas, who is attending summer sessions at Ohio State, said: "We haven't come to any agreement. I really don't know what I'm going to do. I just don't have a contract to play in the NBA."

He said that if he does decide to play in the NBA, he will want a raise over his two-year, \$60,000 contract.

Sylvania Shoe won the regular season championship Tuesday evening by defeating the Moose 4-2 in a well-played game.

Ted Neiderer, winning hurler, and his opponent, A. Staub, each pitched four-hit ball. Neiderer fanned eight and Staub 10.

Neiderer and J. Sneeringer turned in good performances for the winners while D. Staub rapped a pair of hits for the Moose.

Tonight's scheduled game between Fee's and the K. of C. has been postponed until Friday due to the absence of a number of players who will be attending the altar boys' picnic.

EMMITSBURG—Daniel Saffer, Baltimore, spent the weekend with his mother, Mrs. Marie Saffer.

Mr. and Mrs. Donald Stoner and Mr. and Mrs. William Topper and children spent Monday at the Baltimore zoo.

William Ott, USMC, and Miss Frances Ann Ott, Washington, spent the weekend with their mother, Mrs. William Ott, and family.

Mr. and Mrs. Stuart Weidner, Woodboro, visited with their son and daughter-in-law, Mr. and Mrs. William Weidner and family, Friday evening.

Miss Louise Adams has returned home from a trip to New Jersey.

Robert Gelwicks, Washington, spent the weekend with his parents, Mr. and Mrs. Earle Gelwicks, and family.

David Herring, USN, Camp Hatler, spent the weekend with his parents, Mr. and Mrs. Brooke Herring.

Mr. and Mrs. Jerome Peters and family, Baltimore, were weekend guests at the home of Mrs. Peters' parents, Mr. and Mrs. Guy Baker Sr.

Visitors during the week at the home of Mr. and Mrs. Frank Fitzgerald included Mr. and Mrs. Paul Verbal and family, Pittsburgh; Mr. and Mrs. William Gardner and children, Kensington; and Mr. and Mrs. Aracidacono and family, Hagerstown.

Mrs. Margaret Topper has returned home after spending several weeks with relatives in Baltimore.

Mrs. Roy Celwicks, Baltimore, is visiting with Mr. and Mrs. Francis Sanders and other relatives in town.

Mr. and Mrs. Thomas Wivell and family, Damascus, spent the weekend with their parents, Mr. and Mrs. Roy Wivell and Mr. and Mrs. Austin Joy.

Mr. and Mrs. Charles Pitzer and family, Woodbury, N.J., visited over the weekend with Mrs. Pitzer's parents, Mr. and Mrs. James Arnold.

Mr. and Mrs. Richard Florence and children have returned to their home in Jamestown, N.Y., after visiting with Mr. and Mrs. Romanus Florence and daughter, Loretta.

Mr. and Mrs. Roy Brawner and children, Dayton, O., and Margaret Korner, Chicago, spent last week with Mr. and Mrs. Kenneth Rohrbaugh, Mrs. Alice Brawner, Mr. and Mrs. Paul Hummerick and other relatives.

Mr. and Mrs. Donald Stoner and Mr. and Mrs. Robert Topper spent Thursday at the Kutztown Fair.

**DETROIT (AP)**—Bill Casper Jr., in the absence of many of golf's touring elite, rates as the favorite of the 11th Motor City Open that starts Thursday.

Casper's long drives are designed to tear part apart on the Knollwood Country Club course in suburban Birmingham. Par is 36-35-71 on the 6,879-yard layout.

But the big reason Casper is the pre-tournament choice is he'll have little top drawer opposition.

"BILL" HEYSER  
ELECTED NEW  
L-TOWN COACH

William T. Heyser, 28, Biglerville R. D., who graduated from Montana State College this year, was elected Tuesday evening as the new Littlestown High School football coach at a meeting of

ed Hughes and Terry Hoffman paced the Bankers' attack with three and two hits, respectively. Hoffman uncorked a grand slam home run in the fifth inning, driving the ball 190-feet over the left-center field fence. Hughes blasted a two-run circuit clutch in the sixth over the same fence. Both four-baggers marked the first for each player.

White scattered five safeties including two by Bream's slugger, Rod Bowers. He also walked four and struck out 10 batters.

# CULLIGAN EYES AD REVENUES FOR MAGAZINES

PHILADELPHIA (AP) — Matthew J. Culligan, head of the Curtis Publishing Co., says his most important task is to seek out "a great deal of advertising revenue."

The 44-year-old Culligan said Monday after directors named him president and chief executive that his first aim "is the prompt return of our company to profitable operation."

Three of the firm's magazines—The Saturday Evening Post, The Ladies Home Journal and American Home—have been losing money. Curtis also publishes Holiday and Jack and Jill.

**SPACE SALESMAN**  
Culligan, dynamic one-time space salesman with Good Housekeeping, said he hopes to start full-time for Curtis in two weeks. He succeeds Robert Macneal, who after 12 years as president of the firm was relieved last June 26.

Culligan entered the publishing business in 1945 as a salesman for Good Housekeeping. Six years later he was advertising director of Ziff-Davis Publications. Then he joined the National Broadcasting Company where for nine years he was executive vice president in charge of the radio network. The past two years he has been general corporate executive and director of Interpublic, Inc., and its subsidiary, McCann-Erickson.

Culligan said he can increase advertising revenues by an effective, well-planned presentation to American business and financial interests in the next 10 weeks. After this, he said, he will seek out "10 or 12 aggressive marketing people in the organization and stimulate them with new zeal and drive, get them into a frenzy to sell more for Curtis."

**NEED THE POST**  
"I think it would be an absolute tragedy to lose such a communication medium as The Post, founded by Benjamin Franklin before the United States was born," he said. "Curtis Publishing Co. should prosper—and we intend to make it prosper."

A Curtis spokesman said Culligan will receive about the same annual salary paid Macneal, who received \$131,740 last year.

# Truck Driver Is Carrying Pep Pills

McCONNELLSBURG, Pa. (AP) —Robert J. Gutai, a 49-year-old truck driver from Freemansburg, was arrested by State Police Tuesday on charges of possessing "pep" pills.

Officers stopped Gutai on the Pennsylvania Turnpike in Dublin Twp., Fulton County, for reckless driving. They said they found the Pep pills in Gutai's glove compartment.

Gutai pleaded guilty to the reckless driving charges.

# OH, MY ACHING BACK

Now! You can get the fast relief you need from nagging backache, headache and muscular aches and pains that often cause restless nights and miserable tired-out feelings. When these discomforts come on with over-exertion or stress and strain—you want relief—want it fast! Another disturbance may be mild bladder irritation following wrong food and drink—often setting up a restless uncomfortable feeling.

Doan's Pills work fast in 3 separate ways: 1. by speedy pain-relieving action to ease torment of nagging backache, headache, muscular aches and pains. 2. by soothing effect on bladder irritation. 3. by mild diuretic action tending to increase output of the 15 miles of kidney tubes. Enjoy a good night's sleep and the same happy relief millions have for over 60 years. For convenience, ask for the large size. Get Doan's Pills today!

Feet grow safely with the help of famous Poll-Parrot shoes. Pre-tested for gentle, invaluable support built right into Poll-Parrot VITO-PEDIC shoes. Invest in the best... it pays. All sizes carefully fitted.

# Emmitsburg

MRS. RALPH LONG HI 7-2231

EMMITTSBURG — The third annual Fourth of July parade was held this year under the auspices of the Girl Scouts and Brownies of the community. The parade formed at the Doughboy at the West end of town and proceeded down W. Main St., at 10 a.m. to the community field where a program was presented, including opening prayer by Rev. James Twomey, C.M. pastor of St. Joseph's Church; presentation of the colors; salute to the flag and singing of "Star Spangled Banner"; welcome by Mayor Bouey; music by the Emmitsburg Band; guest speaker, State Senator Samuel W. Barrick, Fred. Erick, Md.; singing of "My Country 'Tis of Thee"; closing prayer by Father Twomey.

Mrs. John C. Chatlos, neighborhood chairman, acted as mistress of ceremonies. The band accompanied the singing and played several selections during and after the program, under the direction of the leader, Walter Simpson. The parade was led by Chief of Police W. E. Law, followed by color guard of the Explorer Scouts, Boy Scouts, Cub Scouts, Senior Girl Scouts, Intermediate Girl Scouts, Brownies, two fire engines and the rescuer truck of the Vigilant Hose Company, the Emmitsburg Municipal Band and leaders of the various dens and troops. Following the ceremony a soft ball game was played between the Girl Scouts and Boy Scouts.

Karen and Joyce Hodge, Bethesda, spent last week with their grandparents, Mr. and Mrs. Fred Timmerman. Mrs. Jack Besach and children of Philadelphia are visiting at the Timmerman residence.

Reappointment of two Emmitsburg town officials was announced on Friday by Mayor J. Allen Bouey. He had reappointed Charles D. Gillelan as town tax collector and the Emmitsburg Board of Commissioners had confirmed the appointment and simultaneously appointed Gillelan as town clerk. The other reappointed was Wilmer E. Law, who was named by the mayor to continue in the office of chief of police. This was also confirmed by the board. Formal action on the reappointments was taken at Monday's night meeting of town

day on charges of possessing "pep" pills. Officers stopped Gutai on the Pennsylvania Turnpike in Dublin Twp., Fulton County, for reckless driving. They said they found the Pep pills in Gutai's glove compartment.

Gutai pleaded guilty to the reckless driving charges.

# CHAMBER RAPS SCHOOL UNITS

HARRISBURG (AP)—The State Chamber of Commerce stood opposed Tuesday to mandatory features of the state's controversial school district reorganization law after reversing its policy on the 1961 statute.

In a new policy statement issued Monday the 65-member board of directors of the chamber recommended the law either be amended to eliminate the mandatory features, or be repealed. The law was designed to consolidate the state's more than 2,000 school districts into some 400 larger units. It makes reorganization mandatory by July, 1965.

The chamber's board asked the organization's education committee officials. At the same meeting, it was decided to place several traffic safety signs at dangerous points in the community.

The Sodality of St. Joseph's parish will sponsor a pilgrimage to the Grotto of Lourdes, near St. Anthony's on Thursday evening. Anyone going is asked to meet at the parish rectory at 7 p.m.

The Rocky Ridge Volunteer Fire Company is holding its annual carnival this week, in Mt. Tabor Park, Rocky Ridge. The firemen's parade this evening will be the feature of the carnival which opened in the park Monday night. Entertainment and amusements has been planned for both young and old. There will be plenty of parking space and free admission to the park the entire week.

The parade will form on the road leading from Creagerstown into Rocky Ridge at 6:30 p.m. and will move promptly at 7 p.m. It will consist of the following: State police escort, judges, State Firemen's Association officials, County Firemen's Association officials, fire apparatus, marching units, ladies auxiliaries, bands, drum and bugle corps, floats, majorette groups, comical and commercial attractions.

A building permit was issued in Frederick this week to the Matthews Gas Company for the enlargement of its present premises on W. Main St. The addition, in the rear of the present store which houses the Matthews and Zargable Bros. businesses, will cost an estimated \$2,500.

An open meeting for the purpose of electing new officers and two new trustees for the Emmitsburg Public Library will be held July 16 at 8 p.m. in the library. New library hours are as follows: Tuesday 3 to 4:30 p.m.; Wednesday and Friday, 7:30 to 9 p.m.; and Saturday morning from 10 to 12 noon.

A ham supper and lawn festival will be held July 28 on the Elias Lutheran Church lawn. St. Anthony's Shrine will hold its annual supper and festival on July 21 on the grounds adjacent the church hall. Suppers will be served in the hall.

# Southern Colleges End Segregation

NASHVILLE, Tenn. (AP) — Southern School News reported Tuesday that five Southern colleges and universities desegregated their classrooms this summer for the first time.

Negroes were enrolled for classes with white students in June at Florida State University, Georgia State College, the University of Houston, East Carolina College and Mary Washington College, which is the women's division of the University of Virginia. The publication said these new admissions give the Southern and border states 157 desegregated, tax-supported colleges and universities in a total of 285.

Among private schools, the publication said, Stetson University at Deland, Fla., desegregated its summer school for the first time, with the admission of nine Negroes. Duke University and Abilene Christian College have decided to extend desegregation from their graduate schools to the undergraduate level.

# Goodman Troupe Hits Sour Notes

NEW YORK (AP) — Sixteen members of the Benny Goodman band are back in this country with some mild differences of opinion about the band's six-week tour of the Soviet Union.

Most agreed on arrival by air Monday that the tour was a success, but there were a couple of discordant notes sounded about the jazz master's choice of music. Trumpeter John Frosk said, "We had many more modernistic arrangements with us, but Benny picked out other music because he felt that the Russians would like certain tunes."

"Benny wanted to play all of his old Carnegie Hall things—arrangements of the 30s—while we wanted to play good modern music," Frosk said.

Not among the arrivals was trumpeter Joe Wilder, who had a dispute with Goodman and refused to appear at the last concert in Moscow. He is now in Sweden. Goodman himself did not return with the 16, but is on a visit to London.

# Bogart Will Head Fish Commission

HARRISBURG (AP) — A six-year veteran of the Pennsylvania Fish Commission has been named president of the agency, succeeding Gerard J. Adams, Hanley. Elected head of the commission

ree to consider recommendations to implement the policy.

The education committee at a recent meeting in Reading drafted proposals which called for legislation to implement the reorganization act, raised questions about the fate of school directors displaced by the district mergers, and urged a strong program by the state Chamber of Commerce in support of school reorganization.

# FAMED MOOSE M'CORMICK IS DEAD AT 81

LEWISBURG, Pa. (AP)—Harry (Moose) McCormick, who gained fame as a major league baseball player by scoring a run that didn't count, is dead at 81.

McCormick a National League outfielder for five seasons between 1904 to 1914 died here Monday.

Although one of baseball's top pinch hitters during his years with the New York Giants, Pittsburgh Pirates and the Philadelphia Phillies, McCormick is best remembered for his part in the famous "Merkle Boner."

The incident occurred in 1908 when the Giants and the Chicago Cubs were scrapping for the pennant. It ultimately killed the Giants' title chances.

McCormick was on third in the ninth inning of a game between the two contenders Sept. 3 at New York's Polo Grounds. Two men were out and Merkle was on first. The score was 1-1.

Al Bridwell singled, McCormick came home with what appeared to be the winning run. But Merkle, instead of continuing on to second, ran off the field. Johnny Evers of the Cubs noticed the oversight. He called for the ball and tagged second for the third out.

Umpire Hank O'Day called it that way and disallowed McCormick's run. Because of a swarm of fans on the field the game could not continue. O'Day called it a tie. When the game was replayed Oct. 8, the Cubs won, 4-1, and the Giants lost the pennant by one game.

**COACHED LATER**

McCormick was a baseball, football and basketball letterman at Bucknell, where he was a teammate of the great Christy Mathewson, before turning to professional baseball. He was with the Giants and Pirates in 1904, was out of the game for the next four years, then played for the Phils and Giants in 1908, and for the Giants in 1909, 1912 and 1913.

Later, McCormick was baseball and basketball coach at Bucknell from 1922 to 1925 and baseball coach at the U.S. Military Academy from 1926 to 1937. He served in the army in both world wars. He is survived by his widow and a daughter.

# Turin Rioters End Three-Day Turmoil

TURIN, Italy (AP)—A nationwide strike of metalworkers, marked by three days of riots and turmoil here, ended Tuesday.

The strikers claim to represent more than a million workers in such heavy industries as steel, automobiles and shipbuilding. Nearly a fourth of the nation's unionized metalworkers live in this prosperous industrial city.

Workers demanded a new contract with improved wage scales and a 40-hour week in place of the current 46-hour week.

**IN YORK CRASH**

Damage in an accident Saturday morning in York totaled \$400, according to city police, who identified the drivers as Emory E. Sterner, York, and Frank Basehoar Jr., Littlestown. Basehoar was blamed by police for going through a red signal light and striking Sterner's car, which was going south on Grantley St., but the Adams County man said he could not see the light because of a parked truck at the intersection.

## BIGLERVILLE'S COUNCIL TURNS DOWN BIDS ON STREET WORK

Biglerville borough council Tuesday night, in a session lasting until midnight, rejected all bids for construction and surfacing of several streets and alleys in the town.

The four contractors who had submitted bids were told that the council will readvertise for bids for the surfacing and construction of about half the length of streets and alleys in the original request for bids.

One reason listed was that the original request for bids had included streets which council had anticipated would be obtained by this time. However the necessary technicalities involved in ordination were not completed in time.

Parts of some alleys and streets involved in the original request for bids are also areas in which sewer lines were laid recently and it was decided to wait a little longer before surfacing or reconstructing.

Because it was unable to go through with the entire project as planned the council decided

## Bottum Named To Fill Case Seat

PIERRE, S.D. (AP)—South Dakota Republican committeemen struggled through 20 ballots Monday night before settling on Lt. Gov. Joe Bottum as the party's replacement nominee for the U.S. Senate.

Bottum, 59, will succeed the late Sen. Francis Case on the November ballot.

Gov. Archie Gubbrud immediately appointed Bottum to fill out the remaining six months of Case's term. Case died in Washington several weeks ago after an easy victory in the Republican primary.

## COURT BATTLE LOOMING OVER 2 PRR TRAINS

HARRISBURG (AP)—The Pennsylvania Public Utility Commission and the Federal Interstate Commerce Commission were opposed today over whether the Pennsylvania Railroad may eliminate two trains between Harrisburg and Hagerstown, Md.

The PUC questioned the 1958 Federal Transportation Act, administered by the ICC, on grounds the act violates the due process clause of the U.S. Constitution.

In announcing the PUC action Tuesday, a spokesman for the state regulatory agency said the commission would decide whether to take its challenge of the federal law to court after the PRR indicates what it intends to do about a PUC order requiring it to reinstate the two trains.

STOPPED ANYWAY

Until last Feb. 25 the trains operated over the Cumberland Valley Branch of the PRR, between

to reject those bids and seek bids for the areas which can be done at this time meantime postponing the planned work on the other sections to a later date, probably next year.

Cost of the street work will prove higher than previous construction costs because of the state's mandatory "prevailing wage clause" council was told. One contractor told council that he has had to raise the wages of the operators of his heavy equipment because of what the state claims is the "prevailing wage."

TO WAIVE HEARING

Studying the results of appeals by school boards and others from the state mandatory "prevailing wages," the borough council decided to waive the hearing that it had asked to protest against the "prevailing wages" set for work in Biglerville. The hearing was to have been held July 23. Council decided it was "no use" to appeal to the state on the matter.

The bids submitted to the council Tuesday night all were "in excess of \$11,000" for the work planned.

SPEAKER FOR ROTARY CLUB

Albert S. Otto, executive director of the Philosophical and religious Free Library, was the guest speaker at the dinner meeting of the Littlestown Rotary Club last evening at Schottie's Hotel. Mr. Otto addressed the Rotarians on the subject "Tomorrow's Frontier, the Invisible Universe," speaking on the field of extra sensory perception. He is on a nationwide public relations tour in behalf of the library, which is located in Escondido, Calif. Mr. Otto was introduced by Fred W. King, chairman of the International Service Committee, in charge of the evening's program.

An invitation was read to attend the Lebanon Club intercity meeting on Saturday, July 14, in honor of the president of Rotary International, Natish C. LaHarry, India. Tickets for the affair are available from President Howard A. Daum. One visiting Rotarian, Daniel Stoner, Westminster, was introduced. A club assembly will be featured at the Rotary meeting next Tuesday at 6:15 p.m. at Schottie's. The programs for the meetings for the next six months will be planned.

A large delegation from the Littlestown Lions Club will attend the District Governor's Day on Sunday at the Beacon Lodge for the Blind, near Lewistown. There will be a program and mortgage burning at 2 p.m. The local club recently contributed \$100 to the lodge.

The annual outing for members of the Young Women's Bible Church of Christ and their families was held on Monday evening at Crouse's Pool, near town. The group enjoyed a basket supper, swimming and a social evening. The next regular meeting of the class will be held September 10.

Harrisburg and Hagerstown, Md., making stops at Greencastle, Chambersburg and Carlisle.

They served as a link with service to Philadelphia, New York City and Roanoke, Va.

The PUC had rejected the PRR request to drop the intrastate part of the train service, contending that need for the service was not disproved.

The PRR then asked the ICC to take jurisdiction.

After the ICC announced it would not hold hearings nor air the state agency's reasons for rejecting the railroad plan, the PRR went ahead and dropped the two trains.

## Safety Award At Inland Container

J. R. Sumner (left), production manager of the Inland Container Corporation's Biglerville plant, is shown above accepting a safety trophy on behalf of Inland's Biglerville employees from F. A. King, administrative manager of Inland's paper products division, for completion of a full year of operation without lost time due to accidents. Thirty-six factory workers and six supervisors shared in the award. (Times photo)

## EAST GERMANS DO WALL WORK DAY AND NIGHT

By GEORGE BOULTWOOD

BERLIN (AP)—Hundreds of East Germans are toiling day and night to strengthen the Communist barricade of concrete and iron around West Berlin.

West Berlin police counted at least 550 at work in Tuesday's hot sun. They continued laboring after dark under the glare of floodlights.

As armed guards watched, they hauled up concrete slabs, strung barbed wire and cut back foliage to clear fields for fire of machine

U.S. No. 1, 2-in. min., \$1.50.

BALTIMORE

CATTLE — Receipts, 75; not enough of any one class on offer to test prices.

HOGS — Receipts, 450; trading moderately active, barrows and gilts mostly 25 cents lower; sows scarce; bulk Nos. 1-2, 185-220-lb barrows and gilts, \$19.50, few head, \$19.75; most Nos. 1-3, 185-235 lbs., \$19-19.25, mostly \$19.25; scattering Nos. 2-3, 235-260-lbs., \$18.25-18.75.

The French Academy elects a new member only when death creates a vacancy.

OTHERS AT WORK

Unseen from the West, hundreds more were believed at work in plants producing concrete blocks and operating a giant supply line of material for the ever-growing barricades.

The work has gone on with little letup since the wall was begun last Aug. 13. In recent weeks it has been intensified.

Western Allied sources speculated the feverish effort has three possible aims:

1. To make it even more difficult for would-be refugees to get near the border or force their way through the defenses.

2. To bolster morale of the border guards. At least two have been killed and another wounded in gun battles with the West Berlin police. Others have been shot in fights with escapees. West German authorities say 332 guards deserted to the West in the past six months.

3. To head off a possible mass breakout on the Aug. 13 anniversary of the wall. On June 17, anniversary of the abortive 1953 East German revolt against communism, there was an attempted mass break. The Reds reported.

The French Academy elects a new member only when death creates a vacancy.

## BLOCK PARTY BY EXPLORERS

Explorer Post No. 84 will hold a block party on Monday from 8 to 10:30 p.m. on the parking lot at Super Thrift Market, N. Queen St. Plans for this event were furthered at a meeting of the Explorers on Monday evening at the Community Center.

Other coming events of the post include: Sunday, July 22, coed swimming party at Natural Dam; July 23, softball game with the boys at Hoffman Home, near town, starting at 6:30 p.m.; July 27, 28 and 29, canoeing campout at Pinchot Park. The meetings during July and August will begin with outdoor activities at 6:30 p.m. Following the Monday gathering, the boys enjoyed swimming at Natural Dam and then attended the Harney Fire Company carnival.

Explorer Larry Altoff, who is recipient of the Philmont scholarship given by Aero Oil Company to an Explorer in the York-Adams Area, attended the training session.

# Russians Have Long Way To Go In Development Of Combat Ready Missiles

By FRED S. HOFFMAN  
AP Military Affairs Writer  
WASHINGTON (AP)—Informed U.S. officials believe the Russians still are a long way from achieving a combat ready antimissile missile system.

They are not disputing that the Russians may have developed an antimissile rocket, as Soviet Premier Khrushchev claimed Tuesday. But they stress that development of such a rocket is only part—and not the most difficult part—of the problem of fashioning a complete antimissile system, with its associated radar and other highly sensitive and complex gear.

One of the biggest problems—as the United States has found in its work with the Nike Zeus antimissile system—is to perfect radar that can discriminate between oncoming warheads and decoys sent out by an enemy to confuse and foil the defenses.

**RUSSIAN RADAR**  
One official familiar with intelligence reports said the Russians have been replacing large numbers of fairly powerful radar units, but that this radar is believed able to reach no higher than perhaps 100,000 feet and apparently is part of defenses against manned bombers.

He said there is no information here to indicate the Russians have developed an operational warhead, as distinguished from a research and test model.

It is known that the Russians last September exploded high above earth a nuclear test device that had some of the characteristics of an antimissile weapon.

**KENNEDY STATEMENT**  
President Kennedy, in a broadcast four months ago, announcing plans to resume U.S. nuclear testing in the atmosphere, said the Soviet test series last fall was aimed, in part, at "improving their defenses against missiles."

But, he added: "While apparently seeking information which is important in developing an antimissile defense system, these tests did not, in our judgment, reflect a developed system."

The information Kennedy said the Russians appeared to be seeking was believed to involve the effects of nuclear blasts on radar and communications.

U.S. scientists were looking for similar information in detonating a hydrogen device more than 200 miles above the Pacific last Sunday night.

Defense Department sources said evaluation of the results of that high altitude shot are not expected for perhaps 48 hours. How much information will be made public is not known.

**NOT MUCH TALK**

MOSCOW (AP)—Tass today reported the success of Telstar under New York, Paris and London datelines.

"Fully successful" said the stories in the official Soviet news agency. The combined dispatches totaled a little over 100 words.

# SOME SECRETS OF VENUS MAY BE REVEALED

By THE ASSOCIATED PRESS  
Scientists and engineers report on gravity, Venus, and a system for talking to machines.

**GRAVITY THEORY**  
New studies substantiate a theory that a rotating body, such as the earth or sun, can generate gravity-like fields, a scientists reports.

Christened "spinetic" fields, they can in principle produce gravitational fields which, in turn, could be used to add to or subtract from the gravitational pull of the earth, says F. T. Fraser, a senior scientist at General Precision, Inc., Pleasantville, N.Y.

But don't look for this to produce antigravity devices to counteract the earth's gravity—the effects are too small.

**MANY APPLICATIONS**  
The theory can qualitatively account for many effects which, so far, are explainable only through the highly complicated general theory of relativity of Einstein, Fraser adds.

While it is known that a light beam is bent when it passes near a star, there should also be a very small additional bending due to the rotation of the star, Fraser says.

The theory, he adds, can also show that even an ideal gyroscope always pointing in the direction in which it is initially set, should change its heading if transported through a gravitational field.

**VENUS SECRETS**  
This summer, scientists hope two space probes will unveil some secrets of Venus, a sister planet hidden under a dense mantle of gas.

The probes will be aimed to fly close to Venus, and will be equipped to carry out a variety of experiments, says Robert Wyckoff of Jet Propulsion Laboratory in Astronautics magazine.

It is hoped the probes will radio back data on Venus' temperature, whether the planet has any magnetic fields or radiation belts, and the density of tiny meteorites between Earth and Venus. Closer to the sun than the Earth, Venus also offers an interesting chance to measure the "solar wind" or gusts of gases which apparently are shot out from the sun.

**MACHINE TALK**  
Why not talk to a machine, giving it instructions, instead of pushing buttons or flipping levers to make it work?

Studying this idea, Dr. Harry W. Mergler of Case Institute of Technology developed a technique for turning human speech into numbers or digits which can be fed into a computer. The sound is turned into an electrical voltage.

This method might be used not only to give instructions to computers, but perhaps passenger elevators, machine tools, or automated industrial production lines, all obeying man's master voice.

At least 33 per cent of Greece's national income is derived from agriculture.

# Name Wallace To Direct York CD

HARRISBURG (AP)—Gov. Lawrence has appointed Ralph E. Wallace of York as York County civil defense director.

He also appointed these municipal directors Monday:

Chester County—East Cain Twp., Earl A. Langford; East Marlboro Twp., William H. Brockett; Kennett Twp., Clark B. Kingery.  
Lancaster County—Mount Joy Twp., Calvin Wagner.  
Luzerne County—Hanover Twp., Michael Banks.  
Schuylkill County—Upper Mahantango Twp., Walter Deitrick.

# GERMANS BAR PUBLIC FROM STUDENT TRIAL

By JOHN FIEHN  
BERLIN (AP)—Robert Mann, an American university student, went on trial behind closed doors in Communist-ruled East Berlin today.

Mann, 19, is charged with violating an East German law which carries a penalty of from one to 15 years' labor for anyone "luring" people from the Red-ruled state to the West.

Pale but composed, Mann appeared in court with Uwe Sturberg, 25, an East Berliner. Sturberg's role in the trial was not made known.

**PUBLIC EXCLUDED**  
After Mann and Sturberg had given their identifications, the judges announced that "for state security reasons, the public is excluded from the trial."

The student's father, Charles Mann of Sepulveda, Calif., Frank Meehan, a U.S. mission official from West Berlin and three Western reporters filed out of the courtroom.

Wearing a dark tweed jacket and slacks, Robert Mann answered the judge's questions on his identity clearly but somewhat nervously. His face showed the pallor of almost six months of confinement. He was arrested in East Berlin last Jan. 22.

Mann had been studying at Beutelsbach near Stuttgart, where Stanford University of Palo Alto, Calif., has its "Stanford in Germany" program.

Since Mann's arrest, no one from the West has been permitted to see him. Vogel has told a U.S. State Department official Mann is in good health and spirits.

The elder Mann is an instructor in health education and a coach at Los Angeles Valley College, a junior college.

# New Elks Ruler Wants Crusaders

CHICAGO (AP)—Lee A. Donaldson of Etna, Pa., the new grand exalted ruler of the nation's Elks, said Monday "Americans must stop taking their freedoms for granted."

In his acceptance speech, he urged delegates to the 98th Grand Lodge convention to "go forth as militant, constant, everlasting crusaders for this land we call granted."

Grand secretary since 1954, Donaldson succeeds William A. Wall, West Palm Beach, Fla.

BELFAST, Maine (AP)—Cornelius Crane, 57, heir to the Crane plumbing fortune, died Monday of a heart attack. Crane, who moved from Chicago to Ipswich, Mass., about eight years ago, was the grandson of the late Richard Teller Crane, founder of the Crane company. He was a world traveler, explorer and archeologist.

HAYLE, England (AP)—Henry Caine, 74, veteran British actor, died Monday. Caine, who established himself as a comedy actor on the London stage 50 years ago, toured the United States and Canada in 1914 with Sir Frank Benson's Shakespeare company. He had appeared in several British films since 1930.

# EUROPE LAUDS BEGINNING OF SPACE AGE TV

By EDDY GILMORE  
LONDON (AP)—Europe joined the United States today in cheering the arrival of space-age television.

"A clear triumph for America," headlined London's Daily Herald. This seemed to sum up what people said on buses, trains and on the subways as they went to work this morning.

**TOTAL SUCCESS**  
"It was a total success," commented the French newspaper L'Aurore.

While applauding the event, the Times said it was not the first

direct reception of television from the United States.

The Times said the first reception was by Douglas Walters (call-sign G5CV) in London on Sept. 17, 1930.

**RECEPTION CONFIRMED**

Walters received a television picture at his London home. He said he telegraphed first, details of what he had seen to New York and received a cable from the General Electric Co. of Schenectady confirming his reception.

He said he learned that the pictures he received was the last of three so-called secret transmissions from New York to a receiving station operated by the German government.

Walters said no picture was seen in Germany—despite the use of elaborate aerials.

**WIDELY REPORTED**

His reception was at the time widely reported by the British

# THOUSANDS AT CANADA RALLY

REGINA, Sask. (AP)—Thousands of citizens from all parts of Saskatchewan converged on this provincial capital today for a demonstration against the government's compulsory medical care plan.

Leaders of the protest move expressed confidence there would be no violence, but some officials indicated concern by issuing appeals for calm and restraint.

Cavalcades were expected from

press. At breakfast this morning thousands of Britons watched strikingly improved pictures from the satellite.

These were from Telstar's seventh orbit.

all leading cities and towns. Estimates of the number of persons taking part ran as high as 20,000 to 30,000. They planned to mass before the provincial legislative building to voice opposition to the medicare plan.

The demonstration is sponsored by the Keep Our Doctors Committee, most vocal group backing the doctors strike which began July 1. A majority of the province's 700 active physicians have joined in the strike against the controversial plan, claiming it opens the door for government control of the medical profession.

The plan, designed to provide medical care for everyone, is financed by single person and family assessments and by general taxation.

MEDIA, Pa. (AP)—Pattie Abel, 3, of nearby Morton, drowned in the Swimming and Rowing Club lake Tuesday.

## HANDFUL OF CANADIAN MDS SIGN CARE PLAN

By MAX HARRELSON  
REGINA, Sask. (AP)—One of the closest guarded secrets in Saskatchewan Tuesday is the identity of a handful of doctors who have signed up to work under the government's disputed compulsory medical care plan.

Because of mounting tension over the plan and the doctors' strike against it, government officials feel that the doctors who have broken with their colleagues would be in jeopardy if their names and locations were known.

There is a possibility, they say, not only of reprisals and other punitive action within the medical profession, but of violence and boycotts in the communities where they are working.

So far the Medical Care Commission, which administers the compulsory medicare program, has dealt only in numbers in discussing the cooperating doctors. According to the latest commission figures, 34 of the province's 700 practicing physicians actually have signed up.

The figure hasn't changed much in the past four or five days, but claims for payment under the plan have begun to arrive in increasing numbers.

Details on these also are being kept secret, but it has been disclosed that about 200 claims have come in. These are from patients rather than the doctors who performed the service. Under the plan, the doctors send in their claims once a month.

The plan, designed to provide medical care for everyone, is financed by single person and family assessments and by general taxation.

The idea of permitting either patients or doctors to bill the commission was one of the compromises worked out in an attempt to meet the objection of doctors who didn't want to deal with the commission. In the latter case, the patient simply pays the doctor and then files a claim for government reimbursement.

## REACTION TO STOCK MARKET CHANGE MIXED

By DARDEN CHAMBLISS  
AP Business News Writer

NEW YORK (AP)—Changing the minimum down payment on stocks may not in itself have much permanent effect on the stock market, but it could affect attitudes in a very beneficial way.

That was the reaction of many people on Wall Street to the announcement Monday by the Federal Reserve Board that effective today, margin requirements are reduced from 70 to 50 per cent.

That means that those who want to buy on credit now need put down only one half of the full purchase price on initial purchases of listed stocks, with their brokers carrying the rest.

FIRST SINCE 1960

The reduction is the first since margins were cut from 90 per cent in July 1960.

Many analysts commented that historically, changes in margin requirements have had little long-term effect on market direction.

But Gerald M. Loeb, partner in E. F. Hutton and Co., said this

## Fairfield

MRS. KENNETH SANDERS FAIRFIELD — Mr. and Mrs. James Kaufman have returned from Ligonier, Pa., where they visited their son-in-law and daughter, Mr. and Mrs. Gene Walker, bringing their grandson, Jimmy, with them for a visit. Sunday, they visited with Mr. and Mrs. Worth Keneagy, Lancaster. Mrs. Keneagy is the former Helen Thomas.

The Fairfield Band Auxiliary reports a net profit of \$259.94 received at the annual strawberry festival with thanks to all who helped make it a success.

Mr. and Mrs. Roger Johnson, having returned from a trip to Harpers Ferry, entertained these guests recently: Mr. and Mrs. William Scotland, Niagara Falls; Mr. and Mrs. Fitz Lander and Peter Sword, Jamestown, N. Y. Mrs. Lander is a sister of Mr. Johnson.

Kevin Scott Taylor, 4, was the guest of honor at a birthday party at the home of his parents, Mr. and Mrs. Charles Taylor, Saturday afternoon. These guests attended: Mary Linn Hammett, Nancy Newman, Kimberly Cornwell, Kevin Neely, Craig Newman, Clyde McClain Jr., Melissa and Pamela Taylor. Refreshments and games were enjoyed.

Mrs. Fannie McClell, Main St., who will be 93 years old on July 14, was greeted by these guests at a family gathering at her home on Sunday: Mrs. Harry McClell, Palmyra; Mr. and Mrs. John McClell and family, Hershey; Mrs. Russell McClell, Hanover; Mr. and Mrs. William McClell and family, Hanover; Mr. and Mrs. Horace Hull and family, Hanover; Mr. and Mrs. John McClell, Taneytown; Mr. and Mrs. Keith Brown, Taneytown; Mr. and Mrs. Edgar McClell, Columbia, O.; Mr. and Mrs. Fred Herring and family, Inwood, W. Va.; Mr. and Mrs. Howard Armor and daughter, Gettysburg; Mr. and Mrs. Martin Gonder and daughter, Taneytown; Miss Caroline Brenner, Smithburg; Mr. and Mrs. Harold Chaney and daughter, Hagerstown; Mrs. Robert McClell, Mrs. Guy Kessler and son, Mr. and Mrs. Eston White, Mr. and Mrs. Cleason Herring and Miss Helen McClell. A picnic supper was enjoyed.

Miss Pamela Taylor is attending Camp Sacajawea near Shipensburg for two weeks.

Mr. and Mrs. James Donaldson and children, Jeanne and Michael, have returned from a vacation in Orlando, Fla. Mrs. Donaldson's parents, Mr. and Mrs. Fred Wood, returned for a visit here.

The 75th birthday of Oliver G. Sanders was celebrated at a family gathering at the home of their son, Guy, R. 1, on Sunday. Out-of-town guests included Mr. and Mrs. John Heise and family, of Baltimore.

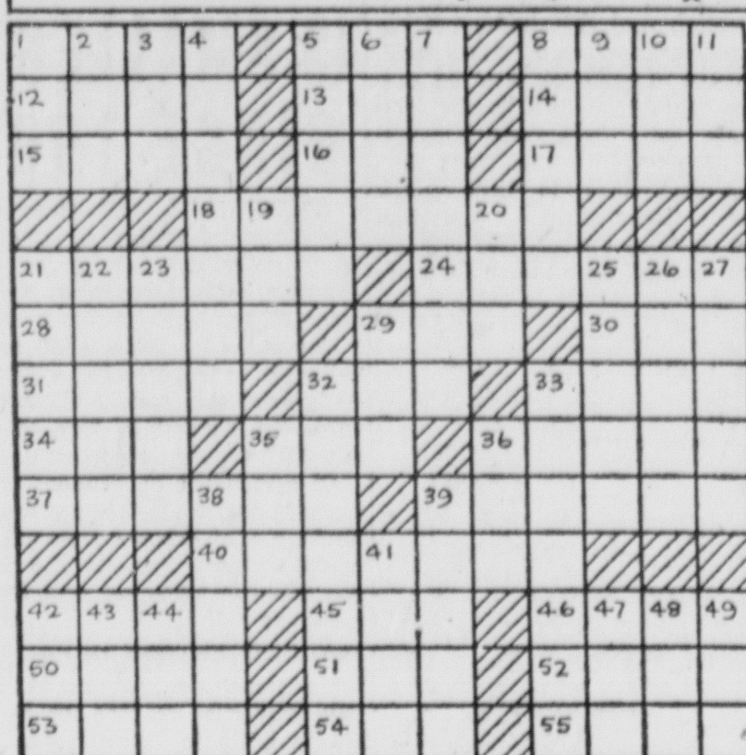

Mrs. Lee Rice and children, Barbara Lee and Mark, Towson, are the house guests of Mr. and Mrs. Frank Lowe, Water St. Mrs. Rice is the former Jane Reck. Other guests at the Lowe home were Mr. and Mrs. Ralph Lowe, Washington.

reduction could be different. "Its beneficial effect on stock prices should be greater and quicker than past experience suggests," he said.

"MEANS NOTHING" The action, he said, may mean the board felt "that optimism has moved below normal into the realm of over-optimism."

A contrary opinion was expressed by Sidney B. Lurie of Josephthal and Co., who said, "It doesn't mean a thing."

Yesterday's Cryptquip: LATE TICKET TAPE RECORDED  
ODIOUS STOCK MARKET SLUMP.

cal fitness, is wielding more influence in the fashion field than his chic First Lady?

It's true that Edward Abbott showed an Indian coat like Prime Minister Nehru wears and a group of sari brocades, no doubt in commemoration of Mrs. Kennedy's trip to India and Pakistan. The Mexican theme was absent, possibly because her visit south of the border was announced too late for the fall design deadline. Besides, who ever heard of a fur sombrero, or sable serape?

Harry Frechtel extended his health preservation policy to men, too. He kept most of the fur inside his coats, thus protecting husbands from shock and stress. First they get used to the idea of paying for what shows, a little mink trim perhaps. Later they can weather that first dazzling peek at the coat's lining—a seemingly endless expanse of rippling, luxuriant, ransom-rich fur. Linings, with mink most popular, include everything from nutria and Australian opossum to the skins of baby foxes and hamsters.

Using potatoes for frying from a package? Sprinkle with grated Parmesan cheese and paprika just before serving for good taste and a rosy glow.

Designers are bundling up women against cold weather as if they fear a penicillin shortage with the first snowfall; and their solicitude, after years of pneumonia-baiting, is welcome.

About 200 of the nation's fashion writers witnessed this change of heart Monday in the first day of New York Couture Group showings. The afternoon parade of fall and winter clothes from the houses of Harry Frechtel, Edward Abbott and Harvey Bernin reflected this newly awakened concern for protecting feminine frailty.

**JFK INFLUENCE**  
The unspoken question is: Could it be that President Kennedy, with his program for health and physi-

cal fitness, is wielding more influence in the fashion field than his chic First Lady?

## EXPECT ACTION TODAY ON PA. DROUGHT AREA

HARRISBURG (AP)—The U.S. Agriculture Department was expected to act today on Gov. Lawrence's request 22 drought-stricken farm counties be declared federal disaster areas.

In a telegram to U.S. Agriculture Secretary Orville L. Freeman Tuesday Lawrence urged prompt action that could make farmers in the affected counties eligible for special federal low-interest loans and other aid.

Lawrence's telegram followed a two-hour emergency meeting by the state USDA disaster committee. The committee designated these counties as drought disaster areas:

**LIST 22 COUNTIES**  
Armstrong, Bradford, Cambria, Carbon, Centre, Dauphin, Fayette, Fulton, Greene, Lackawanna, Monroe, Montour, Northumberland, Somerset, Snyder, Sullivan, Susquehanna, Tioga, Washington, Wayne, Westmoreland and Wyoming.

In his telegram Lawrence said: "I urgently request that you designate these counties officially as emergency disaster areas in order that farmers therein may posture or take hay from acreage retired under the conservation reserve, wheat stabilization or feed grain programs and that farmers may qualify for special loan classifications."

State officials said Freeman probably would send federal investigators into the areas designated. Then, based on these investigators' reports, he will decide whether to designate the counties as disaster areas.

# INDUSTRY WILL SPEND BILLION ON STANDARDS

**By SAM DAWSON**  
**AP Business News Analyst**  
 NEW YORK (AP)—Conformity is steadily increasing among things just as it is supposed to be the badge of this generation of persons.  
 In the case of things it is called standards. And close to a billion dollars a year is being spent by American industry to make standardization a way of life.  
 It's a conformity most people are thankful for. How would you like it if there were no standards and the light bulb you bought might not fit into the socket in your lamp?  
**NEED FOR STANDARDS**  
 The number of threads on a screw, the speed rating on color film, sizes of children's garments, specifications for concrete or for elevator operation—all are subjects for standards.  
 These are worked out methodically and with much labor—and often much dispute and time—by industrial associations, professional people, corporations making competing goods or replacement parts.  
 American and foreign groups seek to bring standardization into international use, with a little bit accomplished each year.  
**LIST OF AIMS**  
 High on the list of aims of standardization are safety, interchangeability, quality and convenience.  
 In the home the results can be seen in building, electrical and plumbing codes. You take them for granted, but standards apply to such things as the making of deep freezers, gas stoves, radio tubes, television sets, door knobs, kitchen utensils, nails.  
 Construction standards guide your group's plans to build a church or your community's decisions for a new school.  
 Nuclear energy and data processing recently have added many standards to those long used in industry.  
 Working on automotive standards are the members of the So-

## Weddings

**Sheaffer—Wagner**

The marriage of Miss Nancy May Wagner, daughter of Mr. and Mrs. Stuart C. Wagner, York Springs R. 1, to Michael Herbert Sheaffer, son of Mrs. Mabel Sheaffer, Aspers R. 1, was solemnized Sunday afternoon at 2 o'clock at the Trinity Reformed Church, Landisburg, Pa., by the Rev. Ralph P. Geiman, uncle of the bride and pastor of Landisburg Charge of Evangelical and Reformed Church.

The bride, given in marriage by her father, wore a floor-length gown of white Chantilly lace with fitted bodice and nylon pleats inset in a full skirt. Her fingertip veil fell from a tiara of rhinestones and seed pearls. She carried a white Bible topped with white lilies.

Miss Louise Weigle, Gardners R. 1, wore a floor-length gown of white, dotted with turquoise flowers with a turquoise sash. She carried a bouquet of white carnations.

### RECEPTION HELD

Harold Davis Jr., York Springs R. 1, served as best man.

The bride's mother wore a pink lace dress and a corsage of pink carnations. The groom's mother wore a dark blue dress and a corsage of pink carnations.

Following the wedding a reception was held on the lawn of Rev. Geiman's home. The couple will reside in an apartment at York Springs.

The bride graduated from Bermdan Springs High School in the class of 1962 and is employed by the Middleburg Manufacturing Company, Hanover. The groom graduated from the Biglerville High School in the class of 1958 and is employed by Inland Container Company, Biglerville.

**Pifer—Stambaugh**

Miss Susan Elaine Stambaugh.

ciety of Automotive Engineers. Membership skills are called upon by the American Society of Mechanical Engineers and the National Electrical Manufacturers Association to set standards that affect many things you use and take for granted in your home or where you work.

daughter of Mrs. Mabel Stambaugh, York Springs, and the late Dale Edgar Stambaugh, and Dale Eugene Pifer, son of Mr. and Mrs. Ralph Pifer, Dillsburg R. 1, were married June 30 at the Harmony Bethel Church of God.

The pastor, the Rev. Clair H. Mowery, performed the double-ring ceremony.

The bride was given in marriage by her uncle, Paul Trump, Drexel Hill. Mrs. Arlene Boyce, York, was the matron of honor. The bridesmaids were Miss Winnie Leathery, Dillsburg, and Miss Patsy Chorely, York Springs, cousin of the bride.

Gerald Leathery, Dillsburg, served as best man. The ushers were Dean Pifer, Dillsburg R. 1, brother of the bridegroom, and Robert Guise, Gardners R. 2, cousin of the bride.

Miss Grace Ruppert, Hampton, was the organist. A reception was held at the bride's home with 130 guests attending. The couple will reside at York Springs.

The bride is a graduate of the East Berlin High School and is employed by the East Berlin Garment Co. The groom attended the Northern High School and is employed by the S. R. Construction Co., Carlisle.

### Stair—Moul

Miss Brenda S. Stair, daughter of Mr. and Mrs. Sterling G. Stair, Hanover, and Glen E. Moul, son of Mr. and Mrs. Paul E. Moul, Hanover R. 3, were married at New Oxford Lutheran Church June 30, at 2 p.m. Rev. John Kugler conducted the double-ring ceremony. Daryl Mae Walker was organist. The matron of honor was Mrs. Eugene Miller, twin sister of the bride, Miss Judy Stair, also a sister, was bridesmaid.

Miss Joyce Damoran, cousin of the bridegroom served as junior bridesmaid. The flower girl was Pamela Ballinger.

Earl Lee Hildebrand, cousin of the bridegroom, was best man. Ushers were Eugene Miller, brother-in-law of the bride, and Philip Nace. Dwayne Wildasin was ring bearer.

Following a reception at the New Oxford fire hall the couple spent a honeymoon in Wildwood, N. J. They will reside at Hanover R. 5. Mrs. Moul is a 1962 graduate of Hanover High School and is employed by W. E. Sell Sporting Goods, Hanover.

## A Lovelier You

**By MARY SUE MILLER**  
**PREVENTIVE EXERCISE.**

What does "preventive exercise" mean to you? In some respects, its connotation is allied to preventive medicine. Both aim to enhance your chances for not running into trouble.

Still, most women will not exercise until their figures begin to ail, just as many will not go to a doctor until they become ill. A woman with a good figure reasons that she may never develop a bulge, so why should she exercise. And why have a medical check-up when she feels fine.

Of course you are not that woman, and you had better not be. A regular physical can increase your life span and your enjoyment in the increase. Regular exercise, as your doctor will tell you, aids the cause in vital ways. But speaking purely from the cosmetic viewpoint, workouts

### Zumbrum—Wonder

The marriage of Miss Norma Jean Wonder, daughter of Mr. and Mrs. Roy Wonder, Spring Grove, and Larry Levere Zumbrum, son of Mr. and Mrs. Cletus Zumbrum, Brodbeck R. 1, took place June 30 at 10:30 a.m. at Otterbein United Brethren Church. The Rev. Paul Wineka performed the double-ring ceremony. July Wineka was organist. The bride was given in marriage by her father. Her sister, Miss Eva Wonder, was maid of honor. Clyde Zumbrum was best man for his brother. Ushers were Burdell Zumbrum and John Wonder, brothers of the bridegroom and bride, respectively. A reception followed at the home of the bride's parents.

The couple will live at 12 Cemetery St., Littlestown. Mrs. Zumbrum is a 1962 graduate of Spring Grove High School and a graduate of York School of Practical Nursing. She is employed by Sylvia Garments, Littlestown. Her husband is employed by Carroll Shoe Company, Littlestown.

stave off the misery in mature years of aging fat, flab and stiffness. As a result, you look fit and graceful. And that takes one big appearance worry off your mind. There is evidence that the mature contingent, next to the teen group, frets most over personal appearance. In a teen, such worries lead only to little black moods. Their effect on a woman can be more serious. Her attitude may change from sunny to dour, from self-confident to self-pitying.

Then charm—a quality that has no age ceiling—deserts her.

So, like Ben Franklin, we say an ounce of prevention is worth a pound of cure. And that goes for health and loveliness.

### LEGLINE TRIMMERS

If your individual problem is heavy legs, send for my new leaflet, LEGLINE TRIMMERS, which contains spot reducing exercises that will meet your individual needs, whether for thighs, knees, calves or ankles, or for contouring your entire legline. Write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a stamped, self-addressed envelope and five cents in coin.

©1962, Field Enterprises, Inc.

**HARRISBURG (AP)**—The public utility commission has turned down a proposed \$22,400 a year rate boost sought by the Scranton Transit Co. The commission rejected the proposal Monday on grounds the firm did not submit financial information that would support its requested two-cent increase in bus fares and other rate changes. The firm sought the boost to meet wage increases.

## CROP ACREAGE IS SMALLEST SINCE 1909

**WASHINGTON (AP)**—Farmers this year, according to government predictions, will harvest the smallest total acreage of crops since 1909.

Nevertheless, because of agriculture's ever-increasing efficiency in producing greater yields per acre, the harvest is sure to be bountiful despite crop controls.

An agriculture department crop report said Tuesday the harvested acreage of all crops is expected to be 288 million acres—down 8 million acres or three per cent from last year.

### TWO PERCENTAGE IN PA.

The department estimated the 1962 production of corn for harvest as grain in Pennsylvania at 59,345,000 bushels.

The state has 913,000 acres for harvest with a yield of 65 bushels per acre.

The national estimate is 3,518,069,000 bushels, indicating that Pennsylvania has about two per cent of the national production.

Other estimates for Pennsylvania:

Winter wheat—461,000 acres for harvest; 28 bushels per acre and 12,908,000 bushels total production.  
 Oats—620,000 acres for harvest; 41 bushels per acre and 25,420,000 bushels.

Late summer potatoes—3,600 acres for harvest; 175 hundredweight per acre and 630,000 hundredweight production.  
 Apples (production only)—2,900,000 bushels.

National estimates:  
 Winter wheat—835,791,000 bushels, compared with 1,076,274,000 last year.  
 Oats—997,248,000 bushels, compared with 1,012,855,000 bushels last year.

### FEWER U.S. APPLES

Late summer potatoes—33,853,000 hundredweight, compared with 36,106,000 hundredweight last year.  
 Apples—124,225,000 bushels compared with 126,710,000 bushels last year.

The department forecast that 1962 production of Type 41, Pennsylvania seedleaf cigar flake tobacco would be 51,750,000 pounds compared with 53,475,000 pounds last year. The 1962 yield is indicated at 1,716 pounds an acre, well above the ten-year average of 1,600 pounds.

The national forecast for 1962 production of burley tobacco is 610 pounds, the largest burley crop in eight years.

### SYRIANS OPEN FIRE

**TEL AVIV, Israel (AP)**—Syrian positions opened fire in the direction of Tel Kazir settlement, in Israeli territory south of the Sea of Galilee Tuesday night, official sources said today. No Israeli casualties were reported.

## Iron Age Reports Little Steel Buying

**NEW YORK (AP)**—No sign of a real upsurge in steel production before late August or September is seen by the Iron Age.

The metalworking weekly made its forecast today at a time when new orders for steel continue to pick up slowly, and when inventories gradually are being worked off.

It based the forecast partly on what it said was a lack of aggressive steel buying by Detroit's automakers. Nevertheless, it added, there is a "sprinkling" of hopeful signs.

## Air Force Crewman Struck By Bullet

**SAIGON, South Viet Nam (AP)**—An American crewman was struck by a Communist bullet Tuesday night while his U.S. Air Force C123 was flying at about 3,000 feet on a night training exercise for South Vietnamese personnel.

U.S. authorities said the airman, whose name was withheld, was not seriously injured.

The shot, apparently fired from the ground, was the only one to hit the plane.

Meanwhile, a South Vietnamese military source said government forces in a large operation near the southern tip of Viet Nam killed 19 Red guerrillas Tuesday.

### WORKER ELECTROCUTED

**POTTSTOWN, Pa. (AP)**—A Reading construction worker was electrocuted today when a conveyor he was helping to move from a truck to the roof of a building touched a high tension wire. Joseph L. Swaczkowski, 28, was dead on arrival at Pottstown Hospital. The accident occurred at the site of a shopping center now under construction.

Remember last summer's promise to yourself?

get air conditioning now

Don't let yourself down. Room air conditioners can make home your favorite vacation spot. Cooler, less humid air helps you sleep better. You'll feel better, too, because air conditioners filter out dust and pollen. That means welcome relief from hay fever and allergies. Even your disposition will improve! Your dealer can show you the new models, including portables. But see him soon. Next month, he'll be busy with installations. You might have to wait. That's no fun in hot weather.

keep last summer's promise now... get that air conditioner for your home

## Midway Airport Ends Plane Service

CHICAGO (AP)—Midway Airport's last inter-city passenger flight landed Monday, ending the flow of commercial passenger plane traffic which three years ago made Midway the world's busiest airport.

In 1959 Midway handled more than 1,000 flights daily. In the last month less than 300 flights of all types—passenger, freight, private—used the terminal.

The large jet airliners which require lengthy runways apparently doomed Midway's commercial passenger traffic. O'Hare International Airport—northwest of the city—now handles most of Chicago's air traffic.

The \$100-million facilities at Midway continue to handle 56 intra-city helicopter flights.

## SATELLITE AT A GLANCE

CAPE CANAVERAL, Fla. (AP)—Here are the facts and figures on the Telstar satellite launched into orbit Tuesday:

Launch time: 3:35 a.m., EST.  
Description: 34½-inch sphere, 170 pounds, 15,000 parts.

Planned orbit: Apogee 3,450, perigee 375 miles.

Orbit period: 156 minutes.  
Expected life: Two years.

Launch vehicle: Three-stage Thor-Deitta, built by Douglas Aircraft Co.

Sponsor: Bell Telephone Laboratories and American Telephone & Telegraph Co., in cooperation with National Aeronautics and Space Administration.

Purpose: Test broadband microwave communications in space; study effects of radiation and micrometeorites on satellite.

First test: Transmit voice, television, photographs via satellite between Andover, Maine, and Holmdel, N.J., starting about 6 p.m., EST, Tuesday.

Later tests: Similar experiments between Andover and Western Europe, with first live transatlantic television program in one week or so.

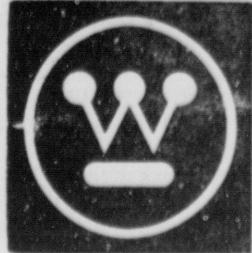

Capability: 600 telephone channels or one television channel.

Frequencies: Receive 6390 megacycle, transmit 4170 megacycles; teletype 136 megacycles; command receiver 120 megacycles; tracking 4080 megacycles.
